From the President

Happy Winter Everyone!!

I hope everybody had a successful hunting season and a great Christmas. Remember to get your Award applications in by March 1st. I would like to thank the clubs and the guys and gals who put in countless hours to pull off the Lancaster Warm Up. Hopefully we can build on it and make it even better next year. The VBA is moving in a positive direction, and we have some positive changes coming - just read some of the agenda items in this issue! We have a great Awards Banquet planned for March 23 in Harrisonburg with Long time JMU Archery Coach and Archery Hall of famer and Virginia Legend Mr. Bob Ryder as our guest Speaker. I hear all the time "What has the VBA done for Me?" Well, we have been protecting your hunting rights and the hunting committee is working hard right now to try to get some positive changes for the bowhunters in the state. We have been listening to you and your clubs - you are the ones who run the association. We have been working on bringing in new shoots, changing existing shoots, and making the VBA calendar more flexible with Club and National shoots. We have some new ideas regarding our year end and creating a Jamboree event for the Clubs and Members as well as a new youth and apprentice initiative I have been working hard for over two years trying to put together. We are in negotiations with a National Archery organization to become its state affiliate. We are now a fully volunteer association with NO PAID OFFICERS. Remember our meetings are always open to you and we always want your input so feel free to call or email me or any officer anytime. With you, the members, we can make Virginia a great place for tournament Archery and Bowhunters.

Remember Virginia Is for Bowhunters!!

FLIGHT Deadline

The deadline for the Fall issue of FLIGHT will be April 1 2024. Please submit articles of interest to the editor prior to that date. Send us your letters, stories or photos. This is your magazine and we encourage your contributions!

From the Field Vice President

Subject: Important Updates and Announcements for the New Year

I trust you had a wonderful holiday season.

As we begin the new year, I am pleased to inform you of the outcomes of our recent meeting and shoot. During the meeting, we successfully finalized the shoot schedule, which includes Massanutten hosting the State Closed event. The chosen format comprises a 28-field round on Saturday and a 14-hunter-14-animal round on Sunday. Additionally, Prince William will be hosting the Open, featuring the international round on both days. Sherwood will be hosting the Spring 3D, while BOR will take charge of the Fall 3D.

We encourage your active participation and support for these clubs, recognizing the significant effort involved in organizing such shoots. The indoor events will be organized by Two Rivers, BOR, Belvoir, and Sherwood, offering participants the flexibility to shoot one or two times and count the high score. This year, the clubs have scheduled a total of 93 shoots.

Save the date for our upcoming Banquet on March 23rd at the American Vets in Harrisonburg. The evening promises a delightful dinner, numerous raffles, door prizes, and the presentation of Hunting and Tournament awards. A distinguished guest speaker will also be in attendance. We encourage you to attend, reconnect with old friends, and forge new connections.

Our Indoor league, which commenced on January 1st, is still open for participation. There is no charge to shoot, and you have the opportunity to win a coveted belt buckle. League scores can be submitted for consideration. Looking ahead, we are planning an outdoor league in the spring with similar rules for winning a belt buckle.

On January 13th, we successfully conducted a Lancaster-type shoot at three different locations, attracting 32 participants, with 16 competing for cash prizes. Winners shared the prize money in their respective divisions.

I would like to inform you that VBA and NFAA are actively working on affiliation matters. NFAA has a 90-day review period to evaluate all aspects, and we anticipate receiving feedback on any necessary changes. Just a friendly reminder to submit your club and membership paperwork to the secretary.

For those interested in taking on the role of tournament chairman, please reach out to any officer. We appreciate your continued support and wish you the best of luck in the upcoming year.

Sincerely,
Jim Little, FVP

From the Publicity Director

The VBA website (<https://www.vbarchers.com/>) has the 2024 calendar of shoots for all VBA Clubs uploaded! Take a look and if you see any errors or need clarification on any shoots, just let me know. I've made contact with several companies to get a new website built, and we're working through what we want, what they can provide, and the cost and timing of the effort. I want to let everyone know about a new archery shop near Ruther Glen, VA: Double Down Outdoors. Check them out at <https://www.facebook.com/ddoshawn/>. They're at 25114 Richmond Turnpike in Ruther Glen (not far from King's Dominion). Shawn Barnard is a great guy and wants to get engaged with VBA more so go see him and tell him VBA sent you!

Thanks, Larry.

From the Hunting Vice President

Hope everyone had (or is still having) a great deer season! For 2024, the Hunting Committee has decided that the VBA priorities in support of bowhunters in VA will be:

“Contiguous season/harvest rules” for Bowhunters, which would allow those of us choosing to hunt exclusively with archery equipment to harvest deer of either sex throughout the archery, muzzleloader, and firearms season. No change to the bag limit, and archers would still comply with blaze orange requirements.

Ensuring archery begins before firearms season. There are several areas in VA where this is not true: Chesapeake/ Suffolk/VA Beach for example.

Increase bowhunting opportunities: In high density deer counties, VA DWR has increased firearms seasons. In these areas, VBA would like to see increased bowhunting opportunities by opening the archery season earlier, as well as allowing antlered deer harvest. Again, VBA thinks this increased opportunity would likely recruit more bowhunters, increase Archery License sales, and provide VA DWR additional population control options.

Spring Bear Hunting Season – not our top priority, but VBA would like to explore the concept with DWR

We will be working with DWR members and the DWR Board and will NEED YOUR HELP with these issues. We will likely ask you to email and/or call DWR and DWR Board members to help get the above initiatives put in place in support of VA bowhunters.

Thank you in advance.

Larry 

Editor's Corner

I hope you enjoy this issue. There are lots of opportunities to get out and shoot with your friends and fellow VBA members, both indoors and outdoors. This year's banquet promises to be a lot of fun, so I hope everyone can attend.

I am planning a new feature to begin with the Spring issue. It will be a Trading Post for individual VBA members where you can buy, sell or trade archery-related items, including tree stands and blinds. The Trading Post will be limited to archery-related items; absolutely no firearms or muzzle loaders can be listed. Descriptions will be limited to 40 words and may include a photograph. Complete contact information and VBA membership number must be included. Listings will be published at the discretion of the Editor, but Flight and VBA will not be responsible for any aspect of transactions. So line up your unused items and send them to me by email bink1943@yahoo.com.

Clubs please send pictures from your shoots we like to see them with the scores.

Flight would like to have a pdf of each club's logo in color so they can be arranged on the back page to give everyone recognition.

The deadline for the next Flight will be April 1, 2024.

See you in the next issue

AGENDA ITEMS

AGENDA ITEM 1 - SCHOLARSHIPS AND CONSERVATION FUND DISCUSSED AT JANUARY 2024 MEETING

This agenda item proposes to:

1. Eliminate the Conservation Fund
2. Enhance the Scholarships provided by VBA

Background/Discussion:

At the January 2024 meeting, it was discussed that now that VBA finances are in better condition, VBA should consider giving more and larger scholarships. Consider that adjusting for inflation from 1970, the \$500 scholarship outlined in the current Constitution is worth nearly \$4,000! As part of that discussion, concern was raised that the Constitution states Scholarships will come from the Conservation Fund, which severely limits VBAs flexibility and funding available for Scholarships. One way to overcome this would be to eliminate the Conservation Fund and allow Scholarships to come out of the General Fund. The Board of Directors would 100% control the dollar value and how many scholarships VBA would award annually, to include not awarding any scholarships if funding was not available. Part of the discussion was that VBA has and seeks funding in order to hold quality events, recognize our members, and support our Clubs. Scholarships are another way to support VBA members and their families, and to answer the question "What has VBA done for me lately".

The Constitution mentions the Conservation Fund in three areas: Article 15, Section 15.1.10, Article 18, and Article 22, Standing Rule 7. Changes to each of these areas is outlined in the attached comparison:

AGENDA ITEM – CONSERVATION FUND AND SCHOLARSHIPS		Version 2
DISCUSSED AT JANUARY 2024 MEETING		
Article 15, Section 15.1.10 Registration Fees (Starting on page 11 of Constitution)		
CURRENT CONSTITUTION	PROPOSED AGENDA ITEM WORDING	
A. Registration fees for the State Open, Closed, and Indoor Tournaments for VBA members shall be* \$30.00 for the first two family members, \$10.00 each for additional family members, with a maximum of \$60.00 per family. VBA shall purchase awards for these tournaments and present the awards in all classes. The distribution of the registration fees shall be: \$2.00 per registered archer to the Conservation Fund, and \$13.00 per archer to the General Fund and \$15.00 to the host club. For a family of three or more, it will be \$4.00 to the Conservation fund and \$26.00 to the General Fund. Registration fees for non-VBA members shall be \$40.00 with no breakdown for family. Distribution shall be \$2.00 to Conservation fund, \$20.00 to host club and \$18.00 to VBA general fund.	A. Registration fees for the State Open, Closed, and Indoor Tournaments for VBA members shall be \$30 per each adult archer for the first two family members, \$10 each for additional adult family members, and \$10 per youth with a maximum of \$60 per family. VBA shall purchase awards for these tournaments and present the awards in all classes. The distribution of the registration fees shall be: 60% of fees to the Host Club, and 40% to the VBA General Fund.	
B. Registration fee for the State 3-D Tournaments for VBA members shall be *\$30.00 per archer with \$60.00 per family. The distribution of the registration fees shall be: \$2.00 per registered archer to the Conservation Fund, and \$13.00 per archer to the General Fund and \$17.00 to the host club. For a family of three (3) or more it will be \$4.00 to the Conservation and \$22.00 to the General Fund and \$34.00 to the host club. Registration fees for non-VBA members shall be \$40.00 with no breakdown for family. Distribution shall be \$2.00 to Conservation fund, \$22.00 to host club and \$16.00 to VBA general fund.	B. AGENDA ITEM – CONSERVATION FUND AND SCHOLARSHIPS		Version 2
DISCUSSED AT JANUARY 2024 MEETING		
Article 18. Conservation Scholarship Fund (Page 19 of Constitution)		
CURRENT CONSTITUTION	PROPOSED AGENDA ITEM WORDING	
An annual scholarship of \$500 is established to be paid from the Conservation Fund (provided sufficient funds are available) VBA members and their immediate family members are eligible. Scholarship can be used at any accredited institute of higher learning to be supporting archery, in general, conservation and bowhunting. Written request must be submitted to the VBA President by March 1st for approval by the Directors.	VBA desires to grant up to \$3,000 of scholarships annually to be paid from the General Fund. Each year, the Board of Directors will decide the amount and number of scholarships based on funding available and the desires of the Board. For example, VBA could award no scholarships, six scholarships for \$500 each, or one for \$3,000, or any combination so desired. VBA members and their immediate family members (parents, siblings, spouse, or children) are eligible. The grandchildren of members are also eligible, but selection preference will be given to immediate family members. For example, if there are three scholarships available and three immediate family members, and one grandchild applies, preference will be given to the three immediate family members. Scholarships may be used at any accredited institute of higher learning for any course of study; however, selection preference will be given to applicants pursuing wildlife management, conservation, and related areas. Selection preference will also be given to those students who actively support archery and/or bowhunting and encourage others to do so. Requests must be submitted in writing to the President by March 1 st for approval by the Board and should outline academic achievements, leadership skill and ability, archery and/or bowhunting involvement, and other extracurricular activities.	
Article 22, Standing Rule 7 (Page 21 of Constitution)		
CURRENT CONSTITUTION	PROPOSED AGENDA ITEM WORDING	
RULE 7: *Two dollar collected from each registered archer at both 3-D Classics shall be designated for the VBA Conservation Fund. (Meeting #116, page 661, 9/85)	Delete this rule	

Agenda Item 2.

Remove from the VBA constitution page 10. Section 15.1Section 15.1.5 State Closed - Labor Day Weekend A. The VBA State Closed shall consist of a 28 Field Round on the first day and 14 Animal targets and 14 Hunter targets on the second day, not necessarily in that order. B. To be eligible for VBA awards, archers must be VBA members.

Justification Attendance is down, It Falls after the Mid Atlantic Sectionals and the Outdoor Nationals. When most shooters are gearing up for Hunting Season or are already out west hunting, it will make the state Open a more attractive Shoot.

Agenda item 3.

ORDER OF THE GOLDEN FEATHER

NOMINATIONS DUE IN MARCH

The VBA Order of the Golden Feather was created to honor those persons who have given unselfishly of their time and talents toward the betterment of archery and archers. Recipients are persons who possess the virtues of sportsmanship, character, morals, integrity and friendship. As a reflection of the substance for membership, only 86 people have been elected to the Order in the past 78 years.

To be qualified, a candidate must be member in good standing of the VBA at the time of nomination, must have a minimum of ten successive years' membership in the VBA and must be sponsored by three VBA members of good standing or by a VBA Club.

This article is a reminder that candidates must be submitted to the Board of Directors at the March meeting for this year. Nominations must be in writing and be signed by sponsoring individuals or a Club officer. Successful nominees have always performed duties or had an impact outside their immediate club.

Details can be found in Article 16 of the VBA By-Laws.
