### "Hunter Speaks Out"

I have just ended the most successful archery season I have ever had in Virginia and West Virginia. On the first week of the Virginia season, I took a spike on Tuesday, a 4-point on Wednesday, and a nice 8-point on Friday. The following weekend in West Virginia, I took a nice doe and a small wild turkey. Never have I had this kind of luck with archery equipment.

That, however, is not what I want to write this letter about. During this season I have seen and heard about more game law violations than in any season in my past 18 years of archery hunting.

I saw members of my archery club hunting from the back of pickup trucks, shooting from public roads, and shoot-

ing on posted land without permission. Finally I saw two men shoot a small deer and let it lay. This was the final straw. I went to the nearest phone and called Frank Mundy, the local warden, and he was able to make an arrest with my information.

I personally think it is about time we all get involved and try to clean up our act. If the violators know that a V.B.A. member may be watching and will report what he sees, maybe we can stop a small part of what is going on. We bowhunters are fighting a public relations problem anyway, and I don't think we have any room out there for this kind of hunting. The sooner we can end it the better. Next time you see something, report it

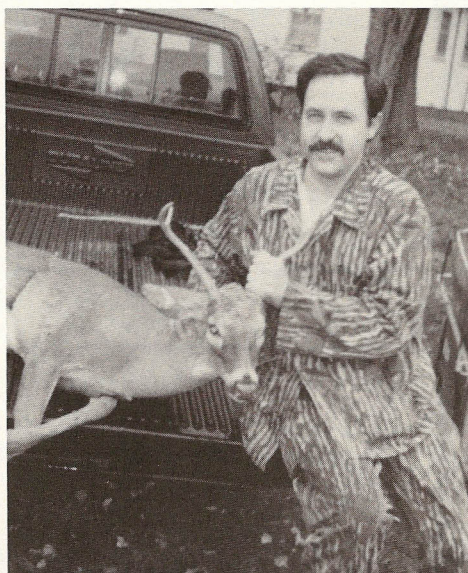

to the Virginia Game Commission. The toll free number is 1-800-237-5712. There will be no questions asked, not even your name.

Bowhunting is one of the finest sports I have ever participated in and it is now enjoying a phenomenal growth. It is up to each and everyone of us to have the courage to help end slob hunting tactics and game violations by working closely with the Game Wardens. We must protect our privilege to hunt with a bow.

I am taking my stand now and making it known to everyone. I urge all of you to do the same.

## Office Of Corresponding Secretary

1987 is almost here! All club Charters and membership dues expire December 31. Give a helping hand to your secretary by sending your dues in early. Club officers dues (VBA & NFAA) must be sent in with the Charter application before the deadline of January 28.

The necessary papers to re-charter will be mailed to the secretaries by December 5. All papers must be received before I can begin to process your club re-charter application, so return *all* papers at one time. If you no longer hold this office, PLEASE forward the papers to the person who does!

NFAA requests that the Social Security number of the Head of Household be put on the Handicap cards. Additional family members will also be under the Head of Household Social Security number—this will be your NFAA ID number only! VBA will keep the ID numbers we have used since 1963.

Please send members in the same as they were sent in the year before. New members should be sent in—first name, middle initial and last name. Do not send in a member without the complete address! Secretaries should mail in the membership dues often—several times a month.

The 1987 dues breakdown is as follows:

2.00 - 3rd

## From The Hunting Vice-President

The 1986-87 hunting season is coming to a close. Many of you will remember the season with good memories and some will have to wait till next year.

Whether your season ended with taking a game animal or not I hope it was a safe and enjoyable season.

I am starting to receive Bill Bennett applications from a number of hunters. Please remember that all applications must first be sent to Nancy Lee Western, Corresponding Secretary, and she will forward them to the Hunting Vice-President. Do not send applications directly to the Hunting Vice-President. I would also encourage you to inform any new members in your club about the Bill Bennett award. For the price of a postage stamp it's a very nice award to receive.

Good hunting,

Dave Proctor
