Two Rivers Archery Club Holding Indoor Shoots

The Two Rivers Archery Club is now hosting their indoor shoots on Sundays beginning at 1:30 p.m. until March 7. Their shoots are held at the Front Royal Elks Lodge on Guard Hill Road, which is located off U.S. Route 522 at the north end of Front Royal.

Several club members and neighboring archers are staying in tune with league shooting on Tuesday nights.

Our annual club awards banquet is set for Saturday night, February 27 at the Elks Lodge, with a social hour from 6 to 7 p.m. followed by a dinner and dance.

Mertie Shultz Gets First "Robinhood"

Long-time woman freestyler, Mertie Shultz got her very first "Robinhood" during indoor league competition recently at her home club, Two Rivers.

Mertie, affectionately known as the grandmother of area archery, was shocked, to say the least, at her fete and was offered congratulations by all there.

Time Change for Smyth County Archers

We would like to change our tournament starting time from 9 a.m. to 10 a.m.

We are a new club and would like to invite everyone to come to our shoots.

Shawnee Bowmen Reports

Shawnee Bowmen would like to announce that all their '82 pin shoots will have a 10 a.m. starting time. Registration will open at about 9 a.m. and archers will be grouped, score cards will be handed out and groups proceed to their assigned targets. Awards will be given out after the last scorecards are handed in. Our annual Little Brown Jug shoot on August 21-22 will remain casual and multiple.

Former VBA Officer Dies

Wyatt Lee Mays, age 40, passed away on January 4, 1982. Wyatt served the VBA as Executive Vice-President and *Flight* Editor from July 1965 until June 1967.

Mays, who resided in Amherst, Va., was a former photographer for various newspaper and TV stations in the state and more recently sold real estate.

Our sympathy is extended to his family and friends.

VBA MEETING HIGHLIGHTS

By Ann Boyd

Despite the bitter cold, 17 clubs had directors present at the recent VBA meeting.

There has been a price increase from NFAA on 20-pins and bars. The 20-pins now cost \$3.00 each, the bars at \$2.00 each. Also available once again are the VBA window decals and most directors picked up a supply of these and also copies of the newly revised VBA By-laws and Constitution. We urge members to purchase these window decals from club secretaries and display them on your cars to help promote the possible growth of VBA.

Our NFAA director Bob Cissel, who will be attending the National NFAA meeting next month gave a lengthy report on agenda items which will be brought before the National directors for vote. Our delegates gave him directions on how to vote on most issues at this meeting and he will report to us at the March VBA meeting the details of the National meeting and his full report will be published in the *Flight* at that time.

President Bill Enders formed a Raffle committee consisting of Bill Reeves as Chairman, with Van Vanek, Dave Proctor and John Stockman. Bill Taylor will join the committee as an advisor. The raffle which we held last year was successful and produced much needed revenue for VBA, that we are now considering making it an annual event.

Bill Reeves, who is our new director of the Bowhunter Education Program gave an interesting talk on the possible development of BEP in our state. He will invite Bill Wadsworth to our next quarterly VBA meeting (March 27-28) to help present the BEP to those who wish to participate. The program will begin on Saturday, March 27 at 9 a.m. at the Mount Vernon Motel in Charlottesville.

Of the agenda items for vote by your club director, #6, State Closed Championship award trophies to all 1st place winners; this item was defeated. Items #7 and #8 were also defeated due to lack of motions.

Agenda items to be voted on at the March VBA meeting by your club director are as follows:

1. (Princess Anne) That the State Open and Closed Championship be 2 days-2 rounds consisting of 28 Field and 28 Hunter.
2. (Sherwood) Place a 5 year mortarium on any proposed changes to the number and type rounds to be shot at State Open and State Closed.

Bowhunters of Rockingham

By Irvin Bodkin

The Bowhunters of Rockingham from zone #3 wish to report on some happenings from their club for the last half of 1981. We held our annual Ground Hog Shoot in June with 18 members taking part in the shoot. Over a hundred hogs were seen with 16 being bagged. The "A" team took top honors with 7 hogs bagged. Chuck Rodamer bagged 3 for top honors. Later on we held our annual with much success with over 80 shooters, trying for our Beautiful Turkey Plaques. We had a first for the club this year by holding our first annual yard sale and bar-b-que. This venture with the money made goes towards our annual banquet in January. Our Bowhunters Jamboree again was a success in late September by informing the bowhunting public on the aspects of hunting. During the Bowhunting season the club is most proud of its members for bagging white tail deer. With a membership of 50 members we had 16 members bagging deer, while some bagged two. We are getting ready for our Annual Sports Banquet to award those members killing white tail deer. They will receive the "Ross Garletts" award. Our Big Buck roving trophy will be awarded to Chuck Rodamer for his big 7 pointer. David Armstrong will receive the big carp award. Bill Ward won the annual scalp trophy. We held our election of officers for 1982 as follows:

Pres.	Owen Shifflett
Vice Pres.	Lenny Pannell
Sect.	Sandy Proctor
Treas.	Irvin Bodkin
