**FLIGHT Deadline**  
*The deadline for the Winter issue of FLIGHT will be April 4, 2016. Please submit articles of interest to the editor prior to that date. Send us your letters, stories or photos. This is your magazine and we encourage your contributions!*

## From the President

I hope all of our VBA Members and Clubs had a wonderful Holiday Season! The New Year is full of promise and expectations. Somewhere among your New Year's resolutions, I hope you included some that were Archery related. If you are thinking to yourself that never crossed your mind, let me give you a couple of ideas.

One of the major concerns that I hear from Club representatives when we talk about issues at our quarterly meetings is the fact that it is the same members year after year who step up to fill Club positions and do the work that is required to keep a Club running. Many of those who are currently doing the work are some of our more senior members, and they worry that they can't keep on doing the work forever, and there is no relief in sight. So New Year's resolution #1: I will become more active in my Club! I won't just show up for shoots and leave, but I'll reach out to my Club President, Range Warden and other Board Members to ask "What can I do to help"!

I've said in many of my articles that what keeps me personally motivated and involved in Archery/Bowhunting is that I love the sport and I want to see it continue long after my days on the range or in the woods have passed. The only way to do that is to take every opportunity to promote our sport. So New Year's resolution #2: I will take every opportunity to promote Archery/Bowhunting, and share my knowledge and skill with youth and newcomers to our sport. I will take to heart Article 2 of our VBA Constitution mission statement: "The purpose of this Association shall be to foster, expand and perpetuate the use of the bow in hunting all legal game; to cooperate with conservation organizations, Game and Fish Commission, and Forestry Services in their efforts for preservation of our natural resources and wildlife; to promote and encourage all approaches to competitive archery activities within the State of Virginia; and to generally require the highest standards of sportsman-like conduct in all phases of archery."

Many of us are competitive in nature, and that's not a bad thing. But I have always thought that the best thing about Archery/Bowhunting is the fellowship and camaraderie that is always there, just waiting for you. Every shoot or hunt is an opportunity to learn new things and make new friends. Many of the hunts that I enjoyed resulted from getting to know fellow Club members at events, and that later resulted in an invitation to join on a hunt when a slot opened up. So New Year's resolution #3: While I will always strive to do my best on the range or in the field, I will not let my enjoyment be dictated by scores or trophies taken. Instead I will focus on the friends I share these good times with, and the new experiences they bring. My motto will be "Every day that I get to shoot my bow is a great day"!

With these resolutions in mind, I'm looking forward to a great year of fun, fellowship and good times. See you out there!

Good Shooting! Bob 

## From the Executive Vice President

Happy belated new years and I hope you got all of the new archery toys you wanted for Christmas. And it is soon to be the time to break out the new toys to play with. I hope everyone had a better hunting season than I did, which wouldn't be hard to accomplish.

With the beginning of the New Year comes the VBA's 75<sup>th</sup> anniversary with special state championship awards for the state shoots which will be handed out at the 2017 VBA banquet and VBA hunting knives and cups. Hope to see as many participants at the state shoots as possible.

For those who don't know, any club chartered with the VBA gets one free add placed into the flight once a year and any pro shop or other business can advertise in the magazine, the advertising rate for the flight is listed on the last page of every edition. And if you have been lucky or skilled enough to harvest an animal just send me a photo and description of your harvest and if you want to tell the story behind the hunt please do and I will make you into a published author.

Terry Ballowe

## AGENDA ITEMS

### AGENDA ITEM AT JANUARY MEETING:

(4) Motion to add a known 45 women's class and a known 50 men's class to the VBA STATE LEVEL 3-D shoots. Passed, 34-1. Effective, January, 2017.

### AGENDA ITEM FOR APRIL MEETING:

(1) Shooting Styles, Sect. G, Traditional, #11: Change to read: Traditional Style for women and Master Senior Male is to shoot 30 yards maximum in all Field, Hunter and Animal rounds. On all targets 30 yards or less, the adult stakes will be used, on all targets over 30 yards the cub stakes will be used. Traditional men to shoot a maximum of 50 yards using youth stakes on targets over 50 yards in Field, Hunter, Animal rounds. Effective, January, 2017.

#### Justification:

Allows for lighter equipment for older members, and allows older members to remain in competitive archery longer. Will help retain VBA membership.

The VBA Executive Board and our Club Delegates are committed to keeping our membership dues as low as possible, so we are looking for ways to reduce costs. It currently costs the VBA over \$11,000.00 annually to publish and print the VBA *Flight* Magazine. Many of our member clubs have gone to sending out electronic newsletters for the same reason – to save costs. But rather than make the shift all at once, this year we are going to do both. All VBA members will get a hard copy of the *Flight* delivered to you in the mail. However, we are also going to send an electronic copy to your Club Secretary and ask that it be posted on your Club's web page, as well as sent electronically to Club members who are getting their club newsletter electronically. That will allow members to share articles of interest and pictures published with family and friends. We hope you enjoy! Bob Foster, VBA President

## From the Publicity Director

To every one of the Virginia Bowhunters Association (VBA), we wish you a Happy 75<sup>th</sup> Anniversary. Yes, this year marks an event that we should be very proud of. In January 1941, members of the Richmond Archers met and founded this organization to promote bowhunting, form clubs to build archery ranges and to give archers an opportunity to learn and practice their archery skills.

At the January's quarterly meeting, President Bob Foster kicked off our 75<sup>th</sup> anniversary by laying out an agenda of programs for everyone to enjoy at all 2016 VBA events. First, is our 21<sup>st</sup> Annual Awards Banquet that will be held on Saturday, April 2<sup>nd</sup> at Pano's Restaurant, 3190 South Main Street, Harrisonburg, VA ([www.pano-s.com](http://www.pano-s.com)). Jon Robertson, Hunting Vice-President, and the bowhunting committee are busy working on the banquet. At our State Tournaments, each club hosting the state tournaments will receive a program and instructions that will be part of the opening ceremonies.

For the VBA to reach out to other bowhunters and archers, Bob has asked Rob Pecora to write an article for the Virginia Wildlife Magazine with input from Clinton Western and myself. Rob is also working on a revision of VBA Field Archery Manual that was published in 1961 which we now refer to as the "Redbook." With the help from the clubs, your articles and pictures will be greatly appreciated. Ads from sporting, archery, taxidermist, and other businesses are welcome too!

*FLIGHT* is always looking for articles, pictures and ads from the clubs when they hold their regular, Annual, benefit shoots, participate at county fairs, conduct archery classes, kid's events, and the ASAP program to contribute to our 75<sup>th</sup> Anniversary.

This year is also the VDGIF 100<sup>th</sup> Anniversary. Check their website and the Outdoor Report for upcoming events and what's for every outdoor person. Their 2016 sportsmen shows, NASP, kid's fishing and many other events are starting and I plan to attend many of them. The 2016 Fishing Regulations are on-line and available at local sporting stores. Spring turkey season is coming. So, be safe and enjoy the outdoors. Don't forget to take the kids with you!

Happy 75<sup>th</sup> ~Irene

### Wally's Venison Marinade

Red Wine( cheap stuff)  
 1 TBSP lemon juice  
 olive oil 1 part oil to 3 parts wine  
 1/4 tsp black pepper  
 1/4 tsp orogeno  
 1/4 tsp celery seed  
 1 tsp Worcestershire sauce  
 1 tsp or 1 cube beef bouillon  
 1 TBSP minced parsley  
 1 clove garlic, minced  
 1 bay leaf

Mix ingredients well and marinate venison several hours for young tender critters, for old tough bucks marinate overnight. Rinse meat before cooking.

# Tradition of Necessity

The modern day archer could learn much from a man born in the wild and lived 50 yrs. in the woods before contact with western civilization. The last of the Yani tribe walked out of the woods to be discovered at a ranch in Orville, California in 1911. Ishi means “man” in the Yani language and that is what he called himself because there was no one else left in his tribe to hear his real name. Since he had no ID the sheriff put him in jail. This caused quite a stir at the time.

No other Indians could communicate with him. Anthropologist from the University of California heard of the wild man. Professor Waterman who had been documenting western costal Indian tribes was sent to investigate and was able to speak the Yani language that was thought to be extinct. Permission was given by the U.S. Dept. Of Indian Affairs to take Ishi to the University of California for study. Residing professor Dr. Saxton Pope was assigned as Ishi’s physician. For the next 4 yrs. Dr. Pope documented everything he could about Ishi before Ishi died in 1915 from tuberculosis from which he had no immunity. This collection of knowledge is not to be forgotten because there is really very little known and documented from reliable sources. Ishi and Dr. Saxton Pope influenced Arthur Young who in turn taught Fred Bear how to make archery equipment. In 1961, Glen St.Charles who worked for Fred Bear at Bear Archery, became Chairman of the Pope & Young Club to Honor a Scoring System for Bowhunters. We must remember and learn from those who spent their life with the bow and arrow. Ishi, Saxton Pope, Arthur Young, Fred Bear and others who lived by the bow would be grateful that a great family sport is still practiced today.

## **ORDER OF THE GOLDEN FEATHER**

### **NOMINATIONS DUE IN MARCH**

The VBA Order of the Golden Feather was created to honor those persons who have given unselfishly of their time and talents toward the betterment of archery and archers. Recipients are persons who possess the virtues of sportsmanship, character, morals, integrity and friendship. As a reflection of the substance for membership, only 80 people have been elected to the Order in the past 71 years.

To be qualified, a candidate must be member in good standing of the VBA at the time of nomination, must have a minimum of ten successive years' membership in the VBA and must be sponsored by three VBA members of good standing or by a VBA Club.

This article is a reminder that candidates must be submitted to the Board of Directors at the March meeting for this year. Nominations must be in writing and be signed by sponsoring individuals or a Club officer. Successful nominees have always performed duties or had an impact outside their immediate club.

Details can be found in Article 16 of the VBA By-Laws.
