## From the President

It is very easy to be critical of an organization than to try and make it better, so I suppose that's why so many choose to be critical rather than helpful. But I want to call attention to a couple of folks who chose to step up and offer their time and talent to the VBA – and boy what a difference they are making!

First, there is Chris Holloman from Kingsboro Bowmen. About this time last year, Irene Stockdale got an Email from Chris, which she forwarded to me. In his own words, Chris said, "I want to help get the word out about the VBA so I created a Facebook page. I have provided the link for the page below. I hope that is not a problem and I would be willing to manage with data from the official VBA website. Let me know what you think if you want to continue this if not I will delete this page." Chris and I exchanged emails over the next few weeks, and his commitment never wavered. He developed a prototype, coordinated with the other clubs who had a Facebook page to share postings, and just pretty much single handedly made it happen. With his leadership and skills, the VBA Facebook went live, and has been a great success. It allows our members, Clubs, and anyone interested in archery a place to share information, ideas, and lots of pics of great times on our ranges. And Chris did all this without being asked. Chris, I want to say "Thank You" for making a difference!!

Next, there is Shannon Nesselrodt, from the Bowhunters of Rockingham. When our VBA Hunting Vice President position became vacant last year, Jon Robertson left a pretty big pair of boots to fill, I wasn't sure who we could turn to. But some folks knew Shannon and felt he would be a great candidate. When asked, he stepped up without hesitation and took on the position. What I really value about Shannon is that he is full of new ideas, and has the initiative to make them happen. Under his leadership, the Awards Committee is planning a great awards banquet. I won't give away his plans, but they include a new location that will offer a wonderful meal at the best price we've had in several years (yes, the price will go down instead of up this year), a great speaker, and really nice raffle prizes that are good enough they make the event worth attending just by themselves! And Shannon has embraced the role of being our eyes and ears for new hunting proposals being vetted by the Virginia Department of Game and Inland Fisheries. He is doing a superb job of making sure your club Delegates are informed, and are able to keep you in the know about changes. Finally, Shannon is working together with Robert Garber, Chairman of our Hunting Committee, to update and improve our Big Game Awards Program, to include: bringing back an award for the biggest doe taken; creating separate award categories for traditional bows (longbows and recurves), compounds and crossbows; introducing a new bowhunting recognition program named after Dave Proctor, a beloved member of BOR and the VBA that we lost last year. Shannon, I want to say "Thank You" to you as well!

These are two examples of members of our archery/bowhunting community who decided to get involved, and both are making the VBA a better organization for all our members. Both are selflessly sharing their knowledge and skills to improve archery and bowhunting across Virginia. Both are Superstars in my book! What about you? Are you ready to step up as well?

Good Shooting! Bob 

**FLIGHT Deadline**  
*The deadline for the Winter issue of FLIGHT will be April 3, 2017. Please submit articles of interest to the editor prior to that date. Send us your letters, stories or photos. This is your magazine and we encourage your contributions!*

## From the Executive Vice President

The eventful 2016 year has come to an end, the past year was the 75<sup>th</sup> year for the VBA and we tried to have several special ways to commemorate the year. We had anniversary shirts, cups, knives and tournament awards for the year with the State Championship plaques to be given out at the banquet this year, we hope all of the recipients are present to receive the awards. Shannon Nesselrodt and the banquet committee have been hard at work putting together the program for the banquet. I know that there will be several door prizes and a couple of bows to be given away this year.

We are about to start a new year of indoor and outdoor competition and later in the year our next hunting season but let's not forget about the Virginia legislative year which has just begun, there are several Bills up in front of the Legislature which will come up for a vote soon that will affect our hunting season and hunting rights. SB968 would allow you to carry your hunting license in electronic form so you would not have to have a paper copy with you, HB1900 Prohibits dog owners to run dogs at large on property after the landowner has given notice to dog owner to keep the dog off of the property. HB1938 allows the use of the Slingbow to be used to hunt small and big game during archery season. HB2255 Separates licenses to hunt each big game species into individual licenses. These bills have a comment period for ALL of you to make your opinions heard, the VBA can and has made their opinions heard but individually you need to voice your opinion so your delegated officials know which way to vote. Remember that the squeaky wheel gets the grease and the more comments your delegate's gets will guide them on their votes.

Listed below are a complete list of the 2016, 75<sup>th</sup> Anniversary VBA State Champions, Congratulations to all and I wish I was one of the ones listed but I am not, see you all at the banquet.

Executive Vice President

Terry Ballowe

# From the Hunting Vice President

Fellow members;

Remember to send your Bill Bennett and hunting Award applications to Marie Bell no later than March 1<sup>st</sup>. The public comment session for the DGIF is February 22 at the department headquarters. I am attending and would encourage you to attend as well. The more people who attend the better chance we have at making a difference. The next public input for the DGIF is in the fall of 2018 I am forming a group to start putting together information and numbers to try and push for a special spring archery bear season! If you have anything you would like to see us push please let us know. We work for you the members of the VBA!

The Banquet is coming together nicely. Due to a price drop for our meal we have decided to drop the price this year. I have already had two bows donated to the VBA one from Heartland Outfitters in Dayton VA and one Donated from G&S outfitters In Woodstock VA and numerous other door prizes.

Also be looking for emails from me or your club delegate pertaining to hunting legislation If you receive an email please read it and contact your state delegate and senator. This is the best way to ensure that our voices are heard in Richmond!

I hope to see you at the banquet

Shannon Nesselrodt - Hunting VP

Dear Sponsor

The Virginia Bowhunters Association Is having our annual Awards& Fundraiser Banquet on April 1, 2017.

We are currently looking for donations to be auctioned and raffled. Any donation would be welcomed and appreciated by the members of the Association. Your donation of up to \$300.00 will get you advertising space at our Banquet Hall. Any Donation of \$300.00 or more will get you a free page ad in our quarterly magazine Flight for 1 year. Your Donation will help ensure that the rights of Bowhunters in the commonwealth of Virginia are protected.

Any donations can be mailed to: Shannon Nesselrodt 403 East Ave Broadway VA 22815

The purpose of the Virginia Bowhunters Assoc. shall be to foster, expand and perpetuate the use of the bow in hunting all legal game; to cooperate with conservation organizations, Game and Fish Commission, and Forestry Services in their efforts for preservation of our natural resources and wildlife; to promote and encourage all approaches to competitive archery activities within the State of Virginia; and to generally require the highest standards of sportsman-like conduct in all phases of archery.

# AGENDA ITEMS

(5) VBA sect. 6, Shooting Styles, Pg. 12, Sect. G, Traditional, rule #4: Change to read: Stabilizer and or counter weight is allowed as long as it is no longer than 12" from the back of bow.

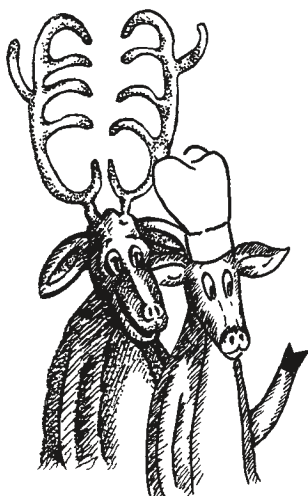

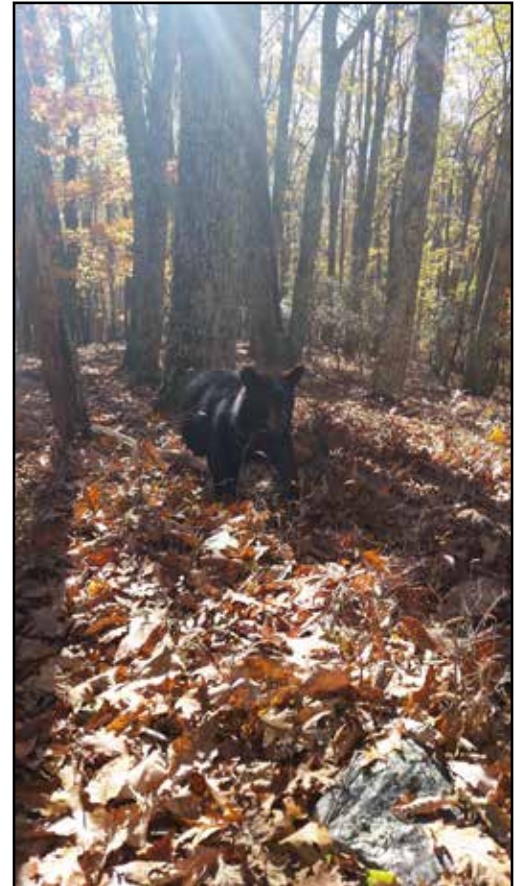

NFAA, Art. 2, pg. 31, Para. H, Traditional: One straight stabilizer, coupling device included if used, which cannot exceed 12" at anytime, as measured from back of bow. Effective: January, 2017. Passed: 28 yes, 7 no.

October 2016, After getting to my tree stand a few minutes later than I wanted I thought "What a nice day to be bow hunting"! You could hear a pin drop in the leaves. After about an hour I spotted movement about 50 yards down the ridge and watched this doe feed her way in for a 12 yard shot. I could see the doe go down the ridge and drop. On my drag out, I spotted movement behind a tree at less than 20 yards and out walks this bear heading in my direction. The, "not so big", bear gets about 10 feet from me before detouring around me and walking around me and the deer. Was the bear thinking, "You can't eat horns"! I know the bear population is at an all time high in Virginia and I have seen several this season. Be aware!

Fred Bear, founder of Bear Archery Company, would be proud that the great family sport of archery continues today.

Happy Hunting,  
Olin Bare

# CANADIAN MOOSE

by Dave Burpee

**T**he sound was unmistakable -- a male moose had responded with a grunt to the female moose call screamed into the Canadian woods by my guide. Game on!

This was my third trip to hunt about an hour and a half east of Edmonton, Alberta with the Alberta Wildlife Guide Service. I enjoyed the hunts even though the 7 days spent in the truck for the round trip of 5,236 miles was a drag. This hunt, however, had the added satisfaction of moose in the freezer.

I first heard the moose about 100 yards out in some dense woods. My guide was about 30 yards from me and did not hear the first grunt so I was waving like crazy behind a tree to get his attention but he did not look my way. The second grunt was just inside the wood line and that definitely got the guide's attention! He scrambled to a spot about 30 yards behind me and prepared to call the moose to him and in the process draw him past my ambush. He did not get a chance to call because this moose definitely had sex on his mind as he beat a straight line through the alders to a spot 19 yards from me. A quick prayer and the wooden arrow tipped with a 145-grain Eclipse broadhead was gone from my Great Northern bow, a 61" recurve with 58 pounds at 28" draw.

The animal was quartering away and I could see him jump and then run with the fletchings in the boiler room and about 8 inches of arrow showing. Later we would learn the arrow penetrated both lungs and lodged in the off-side shoulder.

We waited about 30 minutes and then tracked him about 250 yards to his final resting place. The guide estimated the bull was 2.5 to 3.5 years old and the butcher ultimately estimated the live weight at about 1,100 pounds.

We all have moments to remember and this was certainly one of mine.

To enter Fort Belvoir, all non-DoD affiliated passengers of every vehicle must undergo a personal background check using the person's social security number. Allow up to one hour (usually faster) to process through Tully Gate, depending on the line at the gate. All must have a state/federal issued picture ID.

**Directions:** Exit US Route 1 (Richmond Highway) at the traffic signal at Pohick Road. This intersection is the Tully Gate entrance to Fort Belvoir. Drive up Pohick Road to the security control point/visitor center and process through base security. Proceed south on Pohick Road to the first traffic light at Theote Road and turn right. Proceed approximately ½ mile to a stop sign at Warren Road and turn right. Proceed about ½ mile and turn right at the bottom of the hill. The archery range is in Outdoor Recreation, the long, white building (Bldg 778) on the right.

## **ORDER OF THE GOLDEN FEATHER**

### **NOMINATIONS DUE IN MARCH**

The VBA Order of the Golden Feather was created to honor those persons who have given unselfishly of their time and talents toward the betterment of archery and archers. Recipients are persons who possess the virtues of sportsmanship, character, morals, integrity and friendship. As a reflection of the substance for membership, only 80 people have been elected to the Order in the past 71 years.

To be qualified, a candidate must be member in good standing of the VBA at the time of nomination, must have a minimum of ten successive years' membership in the VBA and must be sponsored by three VBA members of good standing or by a VBA Club.

This article is a reminder that candidates must be submitted to the Board of Directors at the March meeting for this year. Nominations must be in writing and be signed by sponsoring individuals or a Club officer. Successful nominees have always performed duties or had an impact outside their immediate club.

Details can be found in Article 16 of the VBA By-Laws.
