

CLASSES

The VBA Classification System shall be used at all State Tournaments to place archers in "Classes" for purposes of awards. Every age group can shoot in any of the styles at State tournaments. Peewees are recognized at the Indoor States w/no style breakdowns. An individual's class is determined by their average, their Shooting style, and the Division in which they are competing. Classification applies Indoor Rounds, to Field Rounds, Hunter Rounds, and to a 14/14 target combination of the two.

PEEWEE, CUBS AND YOUTH

All affiliated clubs MUST recognize all Divisions, Styles and Classes at all shoots that appear on the VBA schedule card, unless otherwise noted and properly advertised or an advance notice is given.

Peewees, Cubs and Youths may shoot any arrow and point they choose regardless of point size and weight.

OUTDOOR CLASSIFICATIONS

Official VBA Rounds will be the Field and Hunter sold by Maple Leaf. All Classification will be based on these rounds.

Classification breakdown for Field/Hunter Rounds: Scores must be from the previous twelve months.

No Score or One Score = AA class

2, 3, or 4 Scores = Best Score

5 or 6 Scores = Average of Best 2 Score

7 or more Scores = Average of the 3 highest of the last 7 Scores.
