

NOTES FROM THE V.B.A. MEETING V.B.A. SAYS "NO WAY"

The V.B.A. delegates voted that, in the event that N.F.A.A. notified V.B.A. that they would adopt the new A.A.C. rules, the N.F.A.A. delegate is instructed to inform N.F.A.A. the V.B.A. will not comply.

The following club delegates who attended the meeting voted unanimously for the above action: Augusta Archers, Bowmen of York, Cub Run Archers, Northern Va. Archers, Princess Anne Bowmen, Sherwood Archers, Warwick Bowmen, Wythe Bowhunters, Lunga Archers, Loudoun Bowhunters, and Little Mtn. Archers.

It is further noted that Chatanooga rules will prevail. In other words, the same rules we have been using will continue. This, of course, allows releases and the compound bow in Free Style. Bare Bow is the same. A clicker is allowed as long as it does not protrude above the arrow. Refer to the April issue of Archery for exact particulars.

(Ed. note -- It is not clear that V.B.A. has been notified of the A.A.C. adoption. However, Ralph Stevens, N.F.A.A. Director; has written N.F.A.A. President Wingfield that we will not comply. One serious consequence in the event we are dropped by N.F.A.A. (this probably won't happen) is that all Virginia

archery clubs would lose their N.F.A.A. insurance. continued page 2-

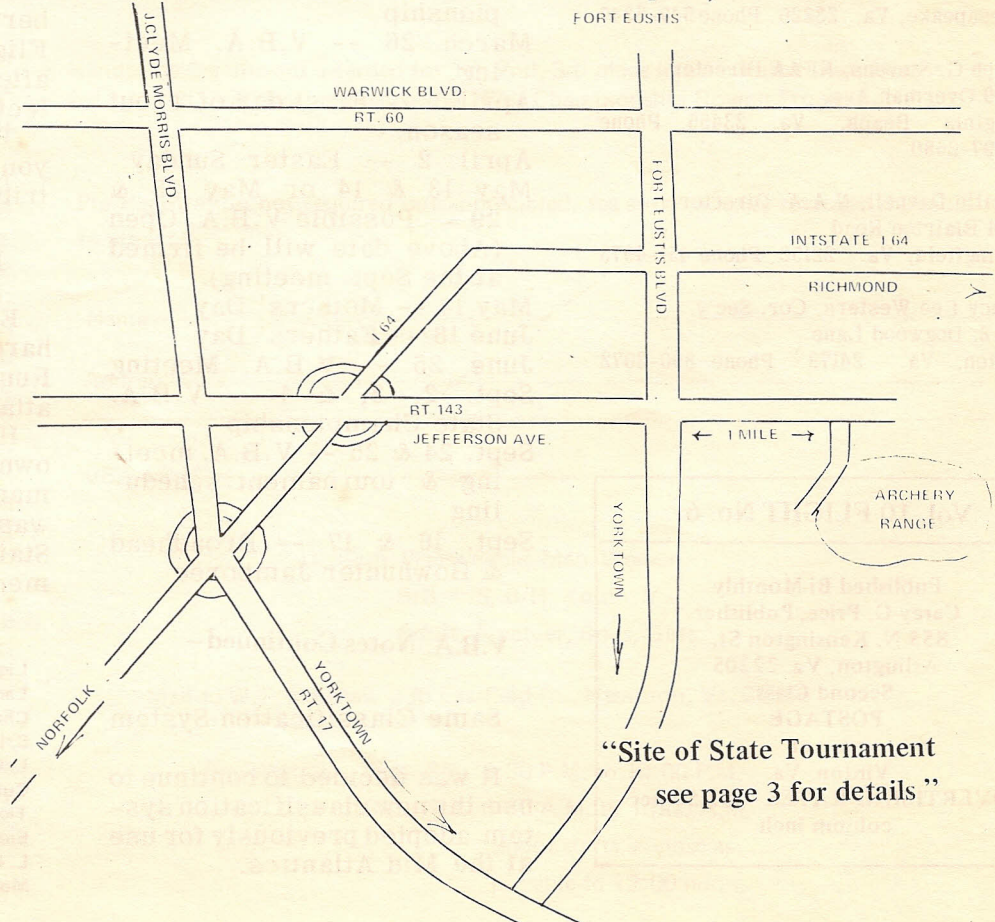

ATTENTION ALL CLUBS:

We the Warwick Bowmen, host club for this year's State Championship Shoot, would like a club patch from all clubs having one. These will be put on a display showing all clubs in Virginia. They will not be returned as this display will be presented to V.B.A. at the close of the

shoot so it may be used again. If your club patch is for sale to non-club members, please give the price. If you make them available, we will be glad to sell them for you at the shoot. We would like 100% participation in this project. Please help us by sending your patch to --
