Freestyle AA

From the Office of the Field Vice President.

In the next issues of the *Flight*, I will attempt to publish the names and scores of those who have placed in the State Indoor, State Open, and State Closed from 1977 to the present. If names are mispelled it is because they were mispelled when first published.

Nancy Lee has informed me that some clubs are not turning in their tournament reports. Without the reports the scores do not get recorded. The reports are supposed to be in the mail the Tuesday after the shoot. It is the responsibility of the club Presidents to see that such reports are turned in. Paperwork is

a necessary evil. Let's try harder to get it done.

Participation in tournaments I have attended seems to be on the rise. It's good to see so many people enjoying themselves. I would like to congratulate those people who placed in the State Open. The weather held good for us and Sherwood Archers did an excellent job of hosting the shoot. I thank the members of Sherwood Archers and Dennis Mitchel who himself did an outstanding job. When the Host Club does their job, it makes my job a breeze. I look forward to working with you again in the future.

The Big Apple shoot is just around the corner. I'll see you

there. It's always a good time.

1983 Sherwood VBA OPEN

To All Secretaries and Tournament Chairmen

by Nancy Lee Western VBA Cor. Secy.

Hopefully the following will clear up misunderstandings about tournament reports and 20-Pins and cut down on

correspondence.

Tournament reports should be mailed Tuesday following the shoot. Reports should be sent in for any tournament (club included) that has an official round. (28—Field, 28—Hunter or 14 of each) Be sure to use the names as they appear on the handicap card (no nicknames) and list their VBA ID number. This is necessary because the scores are transferred to the members record card and makes it possible to find the correct card. Scores should be sent in on time to enable scores to appear in date order. The style (BB, FS, FS-L, BH, FSBH, FSBH-L) should also be listed.

20-Pins should be sent in by the Secretary or Tournament Chairman of the club where the twenty was shot. When the 20-Pin application is signed, this indicates that it has been checked out to make sure the score card (which has been signed by two witnesses and recorded properly—number one score on number one target, etc.), application and range approval all correspond. The card should be marked Field, Hunter or if 14 of each was shot, mark each 14. Field and Hunter Pins should not be applied for on the same application, since these are kept on file and in separate drawers. If for some reason the archer has to send the application in later, check out the application for accuracy before returning it to him/her. If these instructions are followed, it will virtually eliminate the many mistakes and necessity to return applications.
