## From the Office Of the Field Vice President

All clubs who have NFAA Approved Ranges and who are wanting to schedule shoots for 1987 must have a Director from their club at the September VBA meeting. The scheduling session will be Saturday night at 7:30 p.m.

The new contracts for the 1987 State Championships will be ready for those clubs who win the state bids.

Pins have been ordered, but as of this date have not come in.

The first draft of a record book from the State Indoor, Open & Closed from 1977 to the present has been compiled. I hope to see by the January VBA meeting a finished product for all to see.

Again, I'm sorry for any inconvenience. My new telephone number is 804/229-2746.

If I can be of any assistance don't hesitate to call.

John Street

Kingsboro Bowmen invite all east VBA clubs to join our club at the 1986 VBA Bowhunter Jamboree. The state shoot will be held at the Kingsboro Bowmen Range on Lake Cahoon and Lake Meade Road, Suffolk, Va. on Sept. 13th & 14th.

Broad head shots will be uphill, downhill and tree stands. Try your luck at the running deer target. Plan to be there and bring your bowhunting friends.

## \*\*\*ATTENTION\*\*\*

### Club Secretaries and Tournament Chairpersons

A number of clubs have not been sending in tournament reports or 20-Pins until they are contacted—some, several times!

Tournament reports should be mailed no later than Tuesday following the tournament. Scores are then posted on each member's record card and need to be posted in date order. Please record members name and VBA number on tournament sheet, as it appears on the Handicap Card. (No nicknames!) The Social Security number is used only by NFAA as an ID number and is not needed on the tournament report. If a tournament is cancelled or no Field or Hunter round is shot, it is necessary to notify your VBA corresponding secretary.

Also it is the responsibility of the host club to take care of the 20-Pins. Forms should be available and when the secretary or tournament chairperson signs the form, it means that he/she has checked out the form against the score card and range approval and all numbers correspond, the score card has the necessary signatures and that the money is correct. I realize that there are times, due to lack of funds, etc., some people want to mail in their own forms, however, they should be completely checked out before they are signed and released. This saves time and postage and cuts down on errors. 20-Pin forms must be mailed in within 30 days after completion of the tournament. It is best to mail them in with the tournament report.
