## New Officers Installed At VBA Meeting

by: Ann Boyd

**New VBA officers - Left to right - Bill Enders, President - Ann Boyd, Exec. Vice President, Karen Firth, Treasurer - Roger Firth, Field Vice President - David Proctor, Hunt. Vice President - Bill Taylor, VBA Field Governor - Bob Cissel, NFAA Director**

The possible highlight of the quarterly meeting of the VBA held the weekend of June 23-24, was the installment of new officers. Parliamentarian Clint Western read each new officer his or her duties and obligations as stated in our VBA Constitution and Bylaws and then reminded each that their decisions and opinions must always be for the VBA membership as a whole and not based on personal feelings. I am personally looking forward to working closely along with the other officers, and all delegates and clubs during this term and will be open to any suggestions on improving Flight and making it more enjoyable for you.

Our NFAA director, Bob Cissel, will be attending the Mid-Atlantic section meeting in York, Pa., in August. One agenda item that will go before this meeting from Virginia is a proposal to reduce the NFAA Field and Hunter rounds from 28 targets to 20 targets and adjust the scoring accordingly. This measure would eliminate the bunny, 15 yd., 45 yd. walk-up, and the 80 yd. walk-up and the general purpose of the change would be to speed up the time it takes to shoot a tournament.

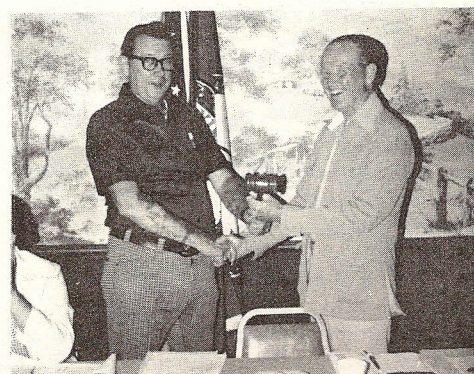

The VBA Field Governor asked to remind clubs once again to mail inspection forms directly to him and NOT to the NFAA director. Checks should be made out to NFAA.

The September VBA meeting is a most important one because mainly of the scheduled meeting which will start at 7 p.m. on Saturday, September 15. All clubs need to have their delegates there to schedule their shoots for the 1980 season keeping in mind the dates of state tournaments. Proposed dates for 1980 state tournaments and VBA meetings were listed incorrectly in the last issue of Flight. So here they are again.

VBA Meeting January 5-6  
Indoor Tournament March 15-16  
Christiansburg (option)  
VBA Meeting March 29-30  
Va. State Open May 17-18  
Roanoke (option)

VBA Meeting June 21-22  
Va. Closed State Tournament  
August 30-31 Staunton (option)

Broadhead Championship Sept. 20-21  
West-Wythe Bowhunter  
East-Princess Anne Bowmen or  
Warwick Bowmen

The committee studying the team shoot agenda item reported that they felt that a team shoot might be a good idea, but that more study was needed

## Hugh Darnell..... Many Thanks!

What words can express enough gratitude we all should feel toward this man for the many years he served our VBA so nobly? Sure, a simple thank you would do, but I believe President Darnell deserves more than that.

As an archer and bowhunter, Hugh was bestowed the honor of being introduced into the "Order of the Golden Feather" in 1971. This honor showed that his fellow archery members felt that he DID GIVE unselfishly of his time and talents toward the betterment of archery. For several years he served as the recording secretary of VBA and in the last two terms as our President always putting the interests of VBA before his own.

Hugh and wife Lucille are chartered members of NORVA and also belong to Loudoun Bowhunters.

Although in the last few years Hugh did not remain as active a tournament archer as he was in the past, he did continue to devote his time and energy to seeing that the VBA and bowhunting grew within our state. He is typical of what a true VBA member should be and we all should benefit from the example he has set for us.

Even though a simple thank-you is small payment for all your work Hugh, please do accept it with heartfelt thanks from all of us in VBA.

to work out a fairer way to run it possibly using a handicap system. If you have any good suggestions toward this matter, VBA would like to hear them.

Field Vice-President Roger Firth was instructed by the delegates to pursue the chance of obtaining new pins through a company in North Carolina. Dutch Schultz is responsible for getting the ball rolling when he wrote and got a price much cheaper for us. Many thanks to Dutch and more information will be available at the next meeting about the pins.

Delegates were advised to inform clubs that a Youth can shoot CFSBH but they must compete with the adults, they CANNOT go back to youth or club divisions, they must remain shooting as an adult.

The following will be adgenda items at the next meeting. Be sure to review and advise your delegates how to vote.

1. (From Princess Anne) All clubs be required to recognize CFSBH, limited and unlimited at all shoots
2. (From Warwick) All clubs must follow unit rule as outlined in NFAA handbook, page 16, article 6, paragraph B.
3. Do away with casual registration at sanctional tournaments and state starting time on cards.

## Virginia Bow And Arrow Deer Harvest

By John Stockman

Following are selected bow and arrow harvest statistics provided by the Virginia Commission of Game and Inland Fisheries.

The 1978 statistics indicate some definite geographic patterns that should help a bowhunter select an area that would offer a good chance of success.

The two top producing counties in 1978 were also the most productive in 1977. Only the top twenty counties are listed below.

Of the total 1,153 deer taken state wide, 630 or 55% were taken west of west of the Blue Ridge. There were 671 bucks harvested compared to 482 doe.

#### Take Home

#### Participation Trophy

By: Cindy Anderson

On March 17 and 18 the Manahoc Bowmen held their Annual Totem Pole shoot and the Princess Anne Bowmen made a super showing for our club. The result was our taking home a beautiful trophy for the most archers from one club participating in the shoot.

The turnout wasn't the only thing super that weekend. Out of seventeen archers who attended, eleven took home trophies of their own.

Congratulations to all our winners and thanks to all the archers who made it possible for us to bring that beautiful participation trophy home to our club. May there be many more to come.

### Annual A Success

by: Cindy Anderson

On the weekend of June 9 and 10 the Princess Anne Bowmen held their Annual Silver Quiver Shoot. We had a great turnout with sixty-eight shooters registering for a twenty-eight target field round.

The turnout wasn't as good however in the Pro division. A \$300.00 purse was guaranteed and was split between the three Pros who registered to shoot.

The Saturday night activities again were the highlight of the day. There was an exciting and close competition on the "Money Bunny" between Roger Firth from Warwick and Andy Anderson of Princess Anne. Roger Firth was the top scorer, and the "Money Bunny Champ". The Horse-shoe Championship was also a favorite, with Sonny Bifano from Princess Anne barely edging Brian Hogwood from Dixie Bowmen for the win. Sonny credits his victory to his artistically controlled backspin release.

The Saturday night party was a big success with a free keg of beer and music provided by a local disc jockey.

The members of Princess Anne Bowmen would like to thank all the shooters who came to our annual and for making it the success it was. We would also like to congratulate all the winners and we hope to see all of you again soon.
