QUARLES Wins Indoor

Jim Quarles backs up his big win at Las Vegas with another Virginia Indoor Championship. "Big Slim Jim" has won the Va. Indoor every year that it has been staged, I believe. Jim won this year with a 299 - 300 - 599 score.

Close on Jim's heels was Tom Ott with a 298 - 299 - 597. Tom shoots out of the clubs of Loudoun County Bowhunters & Broken Arrow Archery Club. Tom was a little off from his 299 indoor Avg. Tom also has shot five 300 Rounds this year. So little "Tom" says "Big Slim Jim" had better watch out, as well as all other Free Style AA shooters.

I don't know how many archers shot in the tournament, as I did not get to go, but understand it was a very well run tournament.

Have listings of other winners & scores, on other pages in this issue. Hope I didn't leave someone out.

The Pres. Speaks

At the March VBA Meeting I was instructed to write a letter complaining about the 100% increase in dues. The letter to NFAA has been written by Clinton Western and was well worded. We appreciated your effort Clint,

The directors were right to point out that Bill Bolt was wrong in voting for an increase in dues after he was instructed to vote no. But after reading the minutes of the Orlando meeting I feel we were wrong to instruct Bill that we wanted no dues increase. It was like sending the life saving crew to a accident but tell them not to give aid.

If NFAA uses the money and the talent of their people wisely we should see some results that will benefit us all.

VBA meets 4 times each year and if they approve a bad motion we can change it at the next meeting. NFAA has to live with theirs for a year.

JERRY BOYD WINS William "Teller" Shoot

With Jim Bridges doing the surveying & Jerry Boyd doing the perfect shooting, Jerry & Jim ran one - two in a promotional C&S Bank Tournament in Winchester, Va. recently.

The rules for the shoot as set up by the Bank, were to hit an Apple at a certain distance, and if more than one archer hit the apple, they were to step up a few yards & everyone shoot again. They gathered out on the Handley High School field to shoot at the apple. Jim Bridges stepped off 53 yds from target to Archers. Jerry asked Jim how many yards it was. Jimmy said set your site on 53 yds. So Jerry proceeded to set his site on 53 yds. draw his Compound back & let fly his arrow in 40 mph gusty wind. You guessed it! It hit perfect center & so Jerry picked up \$100 Dollars first prize for his beautiful shot.

Jimmy Bridges shot second &

THE PRESIDENT SPEAKS

(from page 1)

We need NFAA & VBA. I enjoy reading "Archery" and "Flight". The way for us to improve on them is to send the editors material to select from.

If I can shoot a \$300 Bow surely I can pay the dues to shoot under national and state rules. The dues for membership in the YMCA is \$50 for adults each year.

If you know of anyone who can help us in getting our extended bow season, have them (and you, too, should) write to R. H. Cross, Jr., Commission of Game & Inland Fisheries, Box 11104, Richmond, Va. 23230. Roger Mock helped us, now let us return the favor.

There will be activities, playground equipment, games and someone around to supervise the activities for the children while the tournament is being shot.

P.S. - Busch Garden's Old World opens for 1975 on May 3rd. There may be some families who may prefer to visit there on Saturday or Sunday while their husbands are shooting.

The campgrounds may be crowded that weekend too, so early arrival will be helpful.

Sherwood Preparing for Outdoor State Shoot

Can you think of a better way to spend Labor Day week-end, than to spend it with us? The Sherwood Archers of Roanoke, Va. are working very hard to make your visit with us a memorable event. We will be host to the Va. Bowhunter Association State closed championship. It will be held August 30, 31, and September 1. Entry fees will be as follows: \$8.00 Adult, \$6.00 Cub or Youth, or \$18.00 Family maximum.

Sherwood offers three 28 target ranges (consisting of animal, hunter, and field rounds), on some 89 acres of rolling hill sides and bubbling brooks. There are adequate camp grounds with water on the premises. Food and drink will be available, and entertainment is in the making. So, make your plans now to spend a fun-filled Labor Day week-end with us!

Stay tuned to a later issue of flight concerning times, motel accommodations, etc.

What do some of the Clubs around the State give their members? Where are the trophies obtained? Does anyone have any suggestions? Please write TOM WILSON Sect/Treasurer Little Mountain Archers - 67 Georgetown Green, Charlottesville, Va. 22901.

FROM HUNTING V.P.

I received Forty Five Big Game applications for this past hunting season. I haven't received any information on the number of deer killed with the Bow, but I'm sure the number is much larger than Forty Five.

According to the applications 45% of the hunters used Bows of the 45 pound weight. This is plus or minus 2 pounds. The remaining hunters, 55% used Bows 50 pounds or heavier.

The average shot taken at deer was between 15 and 20 yards. The longest shot was 60 yards and the shortest 5 Yards. The average distance a deer traveled after being hit was approx. 75 yards. Although the Bear Razor Head was the most used broad head, there were many different types of heads used.

At the Game Commission meeting, we did get them to consider the post Bow season West of the Blue Ridge. The final decision will be made May 2, 1975.

The Carp Awards go to David Proctor, Bowhunters of Rockingham. David's Carp took first and weighed 23 pounds 4oz. Bob Morton of the same Club took second. His carp weighed 19 pounds 8oz.

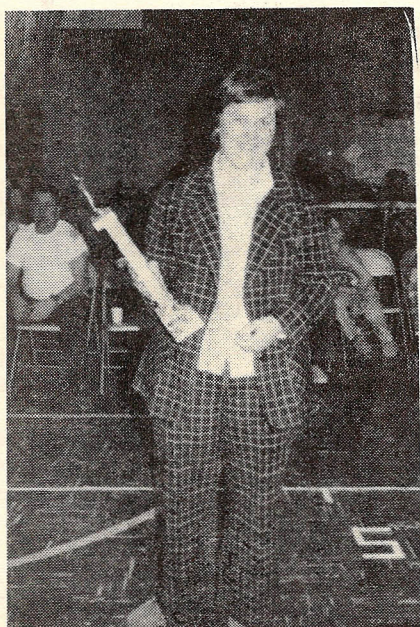

HOWARD HILL

Archers are indeed saddened about the loss of Howard Hill. Hill was truly the Babe Ruth of Archery. Most people think of Howard Hill for his greatness in hunting which he did bring to public attention through his great hunting exploits all over the world. But, it also should be noted that Howard Hill shot in some 190 odd Field Archery Tournaments and won them all. In these tournaments he shot a straight limbed 85 lb. bow with 11/32 wooden arrows and he averaged over 435 per 28 targets, instinctively, and this was probably 35 or 40 years ago. This would be quite a feat using the same tackle right now.

Howard Hill's short news reel type films about his hunting expeditions and his exhibition shooting, field archery skills have been seen throughout the world. This has been a tremendous help in the promotion of archery. I remember seeing these films as a kid and marveling at the ability of this man with the Bow and arrow, before I ever dreamed of becoming an archer myself.

Howard Hill was also noted for his great trick shooting in movies for such actors as Errol Flynn in "Robinhood" and others. Howard and Errol Flynn became great friends and they would go out on Errol Flynn's fishing boat and this is where some of his short subject films were made on shooting fish with the bow and arrow.

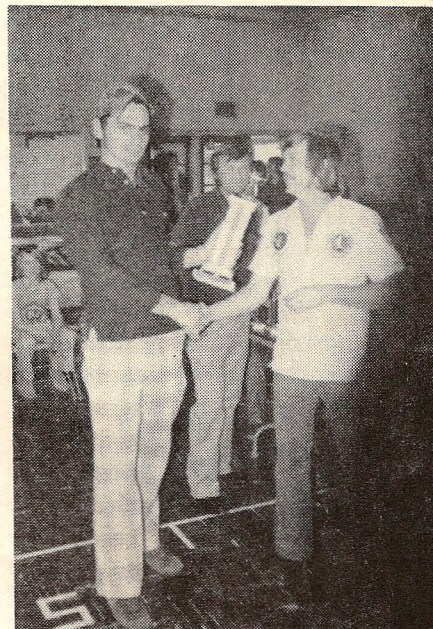

I have hit upon just a few of his accomplishments in this article. We all know he had many more. So, I say again, Archery has lost a fine man whether you think of him as a hunter or a field archer. ED.

Dear Fellow Archers,

Being nominated for the office of Treasurer for the Virginia Bowhunter's Association is a great honor for me.

Since June 1973, I have been an active member of the Princess Anne Bowmen. In the past I have been a member of the Richmond Archers, now defunct, and the Prince William Archers.

Until recently, I was Branch Manager for Mosler Safe Company's Branch in Norfolk. As Branch Manager, I was required to work with budgets and all aspects of operating a business.

I have the experience necessary to perform the duties of Treasurer for the Virginia Bowhunter's Asso.

Your support for my election to this office will be greatly appreciated.

Sincerely Yours, Denny H. Fry
