

Round Robin

by Jim Overfelt

At the Jan. 1992 meeting your directors will vote on the "Round Robin" method of selecting the site of the State Open and State Closed. The "Round Robin" method prevents the VBA members from voting on where we want to shoot our State Open and State Closed. We are giving up our right to vote if we don't get rid of the Round Robin method and go back to the "Bid" method.

Moratorium

by Jim Overfelt

The motion to extend the 5 year moratorium for another 5 years has been tabled until the Jan. 1992 VBA meeting and will be voted on. Please consider voting against this motion so that you, as a VBA member, will have the opportunity to discuss the type of targets you want to shoot at our State Closed and Open. Unless your director votes against this motion we will be forced to shoot the same targets for the next 5 years.

Praise for the Rendezvous

Just a note to say "Thank You" to all the members who made the referenced rendezvous an enjoyable event. It was both educational and fun, especially the presentations and demonstrations by Mr. Fred Asbell and Dr. David Samuel. There had to be a tremendous amount of work and coordination that went into making this event successful (location, speakers, range set-up, food, advertisement, parking, vendors, correspondence, budget control, etc.). Special thanks should go to Robert Seltzer, Chairman of the Rendezvous Committee, and the other committee members for the many hours donated to this project. It's these kind of people that make our VBA a worthwhile and successful organization. Thank you again.

News from Staunton River Archery Club

Ø

Another tournament year has come to an end for our new club and once again we'd like to thank you all for the support you've given us this past season. Even though many of you haven't shot on our range, you've supported us in other ways ... by buying raffle tickets and moral support, which is also very important.

As you might know, we have a 28 target range. We also have 10 McKenzie targets which we're now shooting ... trying to get ready for that big buck to come into range.

We'd like to congratulate Bobby Trent of Rustburg for winning our V.C.R. raffle we had in August.

Thanks to many of you we now have house house.

News of the Darrington Nationals

It was probably five of the most pleasant fall days you could imagine, $48^{\circ}-50^{\circ}$ mornings; afternoons were 85° if you were in the sun, 80° in the shade; humidity was nil. The only odd thing about this fall day was that it was in July.

As most of you know, the NFAA Nationals were in Darrington, WA about 85 mi. north of Seattle. And also, as most of you have heard, Virginia has three National champions to be proud of.

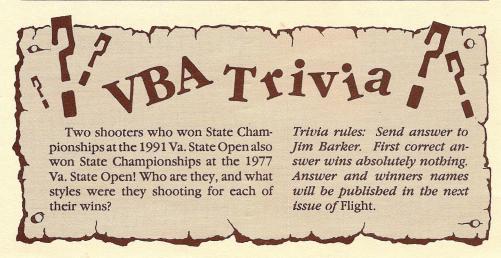

The first of which is Jessica Megee. She didn't just walk away with first place in the Youth Freestyle division, she literally ran away with it! An unbelievable spread of over 300 points between her and 2nd place! A new member to our Virginia family, Bradley Marshall had a little more believable distance of 11 points between him and 2nd place in the Men's Barebow division. Brad had a couple of 500+ days to snatch 1st place from previous national champ Frank Burdi.

Cay McManus also has added another "dust catcher" to her collection, making a total of 5 in the Women's Barebow division. Add to that the 4 silver bowls of previous years in the Bowhunter division, makes quite an impressive display.

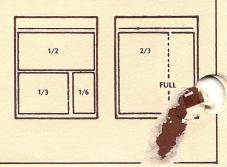

Congratulations to all our champions.

Left to right: Cay McManus, Bradley Marshall and Jessica Megee at the Darrington Nationals.
