FLIGHT Deadline
The deadline for the
Summer issue of FLIGHT
will be Sept. 17, 2012. Please
submit articles of interest to
the editor prior to that date.
Send us your letters, stories
or photos. This is your
magazine and we encourage
your contributions!

From the President

Another tournament season is well under way; I sincerely hope all of you have found the time to attend local and state shoots. This spring has been quite busy for me and the weather has not always been sunny, so I have not been able to participate as much as I would like.

I was able to make it out, and I do mean out, to Singers Glen for the 3D Spring Classic. I was quite impressed with the club's enthusiasm and the turn out they had for the tournament. For those of you who were there and don't know me, I was the guy taking pictures on Saturday. Singers Glen has a fine range and I am glad that they have expanded their field range to 28 targets and have bid on the 2013 State Open. It is certainly great to have them back and active in the VBA.

On a serious note, I was not able to attend the June VBA meeting due to my fourth bout with Lymes Disease. This was by far the worst one yet with extreme high fevers and body pains. Lymes can be very dangerous if not treated promptly so I urge any one with symptoms to consult with your doctor. I work outdoors in areas that are hot spots for the disease. My doctors urge daily self examination and use of insect repellent with a minimum of 35% deet. Apparently deet is the only effective repellent for ticks and needs to be at least that strong. It is only the really small ticks that carry the disease and you can be bitten without ever knowing, so be safe and take precautions. I do not wish this illness on any one.

Please do not let these somber thoughts stop you from enjoying the outdoors and the great sport of archery. I look forward to seeing you on the range and perhaps at the Fall 3-D Classic or at The State Closed at Two Rivers.

Rob Pecora President 

Cover background idea submitted by Randy Armentrout of Bowhunters of Rockingham

From the Executive Vice President

Here we are barely into summer and it seems like I have been busy enough for the whole summer, it just seems like there is one thing after another going on and I don't have time to do it all. With that said I missed the VBA State Open for just the second time in eighteen years and I really did want to go and I will be there next year.

I would like to thank Bill and Auvray Shumate and Vance Stallard for taking photos at the open since I was not there to perform my duties as Flight Editor. I was told that the weather was hot but not too bad and I am sure that their range was in great shape as usual.

The other VBA State shoot that was held this spring was the VBA Spring 3-D Classic held at Singers Glen Bowbenders in North West Va. For being their very first time hosting a VBA state shoot I was very pleased with the way the shoot went and with the turn out for the shoot. I would also like to put in a plug for the Rockingham County 4-H Shooting Sports team that was there to do the cooking for the weekend, the archery club lets the 4-H team use it's facilities during the year and they returned the favor by cooking up some very good grub, especially the chicken. It is not 100 percent set in stone yet but it looks like the Singers Glen archery club will get two chances to show off what it can do next year with the Spring 3-D and the Open, so mark it on your calendars for next year. Don't forget the fall 3-D Classic will be held at Sherwood Archery club in Roanoke on Aug 11&12 and the State Closed will be held at Two rivers archery club on Sept1&2, hope to see you there.

I would also like those of you who are out there with your cameras or trail cameras to send me your critter photos for the flight, I want to see if the critters in your area are better than the critters in my area. As you go about your life and you see something that will make an interesting story, put it on paper and send it to me and I will turn you into a published writer.

I went onto the new VBA website and was very impressed with the new site, you can tell that a lot of work has been done by Tim Seymour and Irene Stocksdale. Go check out the new site and let us know what you think of all the work that was done to upgrade it, the address is www.vbarchers.com , I hope you like the site as well as I do.

Terry Ballowe 🏹

From the Field Vice President

We are in the middle of the tournament season; soon the end will be here, then hunting season will start. For those of us that don't hunt, we will search anywhere and everywhere for a tournament. "Let us know".

What happened to the year and all the shoots we planed to attend? "Busy, out of town, other appointments, etc" Well, I have a solution. Talk to your club reps before the September Scheduling Meeting, I'm sure they will do their best to accommodate.

I have heard of new and old archery clubs in Virginia that are not with the VBA. Most of them don't know who we are and what do. If you visit one of these clubs get their information and send it to one of the VBA officers. If you think about it, more clubs equal more members which equal a stronger VBA.

Aubrey "Tommy" Self 🏹

From the Publicity Director

Have you ever had an adventure, while walking in the woods, and heard two squirrels talking? Well, on Memorial Day, I did. The one said "it's been released." Then the other one said "what has been released?" "The new VBA website that we have been waiting for, don't you just love it?"

Yes, the VBA has a new website, plus more future enhancements and drop down menus. Tim Seymour has re-designed the new VBA website and has devoted many hours, along with his knowledge and expertise. All the events and information are based around the Calendar. I can't begin to tell you what a pleasure it is to work with him. Tim has also designed three new spreadsheets in Excel for the State Indoors, State 3D Spring/Fall and the State Open/Closed. They have replaced the MS Access database that we have used in the past. It does all the calculations when the hosting club(s) enters the required fields and it includes the Unit Rule. These templates are the property of the VBA and are only to be used for clubs hosting VBA State Tournaments. Tim needs to be commended for his outstanding accomplishments to the VBA and much more!

I would also like to 'thank' Bob Foster for his contributions and help with the new website, and providing information on IBEP, Bowhunting Education Programs, other archery education and training information, and working closely with the VDGIF.

We welcome any feedback, stories, pictures and information you would like to share with the VBA, your fellow archers and bowhunters. Just Google the website at - www.vbarchers.com.

As you know, Singers Glen Bowbenders hosted the State 3D Spring Tournament. I would like to recognize them for doing a great job since it was their first State tournament. Next year, they will be hosting the State 3D Spring and have the opportunity to use the new spreadsheet. Also, to Sherwood Archers especially the Shumate's, as they were the first club to use the new State Open/Closed spreadsheet. Since they will be hosting the upcoming State 3D Fall, they will have the opportunity to use the State 3D Spring/Fall spreadsheet.

OGF Update - recently, we received an email from Mike Bunting, son of Harry Bunting and past VBA President. He found some photos and articles dating back to 1954. Our VBA OGF chairperson, Dave Burpee, will be working with Mike. Once all this information is collected, Dave will share this with us in FLIGHT, on our website and in the OGF scrapbook.

Topics on VDGIF events - the VDGIF Recognition Awards annual banquet was held in April and I received my Master's as a Hunter Education Instructor. The Complementary Work Force Program (CWF) recently held their annual awards banquet and I was recognized for over 375 hours of volunteer services. A Hunter Ed & IBEP Instructors Treestand Safety certification class was held at the IWLA in Stafford, which I and other instructors attended. On July 1st, Capt. Bobby Mawyer, Outdoor Education Manager, retired. The Verona office has a new Hunter Education Assistant, Carmella Joseph who is working with CPO, Kris Dougherty. They both coordinate the Hunter Ed program with Sgt. David Dodson from the Fredericksburg office.

Beginning January 1, 2013, the VDGIF will be instituting a new curriculum in order to meet the International Hunter Ed Association (IHEA) standards for all Hunter Ed classes. These classes will stress the importance of Safety (firearms & treestand) and Ethics (game laws).

Other facts - in 1937, Senator Key Pittman of Nevada and Congressman A. Willis Robertson of Virginia sponsored what is now known as the Pittman-Robertson Act. Today, the Pittman-Robertson excise tax is at 11 percent, and is collected on all firearms, ammunition and archery equipment. Through these taxes and fees on hunting licenses, hunters in the US contribute approximately \$3.5 million towards wildlife conservation and hunter education. Hunters play an important role in caring for and managing wildlife.

Don't forget to get the word out of the upcoming VBA State 3D Fall hosted by Sherwood Archers and the State Closed hosted by Two Rivers Archery Club. Is it possible that we could break the attendance at both tournaments from the previous years?

Hope to see you in September for the VBA 2013 Scheduling session.

Yours in Archery ~ Irene Stocksdale 

VBA's newest club holds first tournament

On June the 2nd I traveled a little over 2 hours to Lake Country Archers' Annual. The trip there was great. The 6 of us laughed and discussed the day's oncoming event. If you know the crew you know it was nonstop. We had newcomers Rick and Dianne Teague, and William Watkins along with long time archery veteran A.L. Self, my wife Tracy, and me.

We found the course challenging and fun, with some targets set with the illusion of being longer than they appear. Everything was set up great; there was a child's area, nice kitchen and dinning area, etc. The people that we had never met before treated us like members of their family.

There were some vendors including one from Hoyt. If you tried a shot with the available Hoyt bows your name went in to win the new flagship bow. A few days later Dianne got the call! Along with this drawing there was a raffle with a table full of prizes.

I am sorry, I had to leave early and miss out on the rest of the events. For the evening meal I saw a cooker full of chicken with all the fixings, followed by a coon shoot and fireworks.

This was a great event for the newest member of the Virginia Bowhunters Assn. family. There were 57 shooters for the weekend. Next year there should be more with the plans for more parking and camping areas.

Thanks for a great day with my new family.

Aubrey T. Self 🙏

Wally and Winnie Suggest you try this Turtle Ragout for a change of pace

- | | |
|---------------------|-----------------------------|
| 1 Onion, chopped | 1 Clove Garlic |
| 2 Tablespoon Butter | 1 Cup Water |
| 1 Tablespoon Flour | 2 Pounds Turtle Meat, diced |
| 1 Bay Leaf | 1/4 Cup Sherry |

Cook onion in butter; blend in flour. Add remaining ingredients and simmer 30 minutes.

Serves 6

NFAA Master Coach Course Offered

An NFAA Master Coach course is being offered at the end of August, specifically 4 days over the weekend of 23 to 26 August. Master Coach is the highest level archery coach level in the NFAA instructor/coach program. The course is being presented by three current Master Coaches, Bernie Pellerite, the creator of the NFAA Mobile Shooters School and owner of Robinhood Videos; Paul Vogel and Jerry Wenzel, two Master Coaches who have been coaching archery in Maryland and Virginia for several years. The course will be held at the Belvoir Bowhunters facilities at Ft. Belvoir, VA.

The cost of the course is \$500.00 per person, and will include all course materials. A \$150.00 deposit is required to reserve a place in the course.

Course requirements are minimum age of 21 years, certification as an NFAA Advanced Certified Instructor (ACI) or NFAA Certified Instructor (CI), and five years of archery experience. Newly certified Master Coaches will have a one year probationary period, and Master Coach Certification expires ten years after issuance.

Minimum class size is ten and will be limited to a maximum of twenty. Those interested in attending the course or who have questions about the course, please contact Jerry Wenzel at 540-854-0245 or by e-mail at coachjerry@dishmail.net.

There has been interest in the Master Coach Course in Virginia for the past few years – this year we have an opportunity to provide the course. ACIs and CIs who are interested, please contact Jerry to lock in a spot or to get more information.

AGENDA ITEMS

ITEMS PASSED AT JUNE MEETING:

(1) By-laws, Indoor Shooting Rules, 1st. Para. 3rd. sentence, pg. 5, and Art. 15, Para. H, pg. 7. Pros are welcome to compete, add: in their corresponding VBA style for awards or as a guest without an award. Eff. immediately. Passed

(3) Const. By-laws, Art. 15, Sect. 2, Para. F., pg. 9, There will be no shoots on club properties or in club name, private or public, conducted on the days that State Tournaments are held. Eff. immediately. Passed

AGENDA ITEMS FOR SEPTEMBER MEETING:

(1) The following is a substitute for Agenda item #2, from June meeting:

Const. Art. 3, Sect. 1, Para. C, pg. 1, Change to read, "Bowhunter membership is open to individuals who reside 50 miles or greater from the nearest VBA club, upon application and payment of VBA fees and dues set for Bowhunter members. Bowhunter members shall have the rights and privileges of VBA membership. Eff. immediately.

Justification: To return Bowhunter membership to its original intent and to protect VBA clubs from loss of members while also allowing Bowhunter members to compete in VBA tournaments as intended by June agenda item #2.

(2) Combine the Spring 3-D Classic and Fall 3-D Championships into one State 3-D Championship. For the past 8 years, the Fall Classic has only averaged 44 shooters per event, which is questionable if it is worth the host club's time and effort. A combined shoot could still provide a marked and unmarked tournament. Saturday's round could be shot as unmarked, and Sunday could be a marked shoot, which would speed up the Sunday activities and give more time to present awards.

Justification: By combining the two shoots, it would make it a more profitable shoot for the host club, and make it a more prestigious shoot for the winners. It would also make another weekend available that clubs could use to schedule their local shoots. Eff. 2014

(3) Request to spend up to \$500.00 for the speaker for the 2013 Banquet to cover his expenses. Tentative speaker, Mr. Hal Schaefer of National syndicated TV Show, "Drop Zone."

Justification: Grow attendance at Banquet. Effective immediately.

Elephant Stew (from Joel Lutkenhouse)

1 elephant 4 bushels onions
 2 rabbits (optional) 93 1/2 gal. water
 1/2 pail pepper 6 pails flour
 2 pails salt

Cut elephant into bite-sized pieces. This should take about four months. Cook over kerosene fire for about 4 weeks or until tender. Add onions; cook until tender. This will feed about 3,000 hungry hikers. If more are expected, add the 2 rabbits. But do this only if necessary, as most people don't like hare in their stew.

Your Comments Wanted:

Draft Virginia Black Bear Management Plan

The Virginia Department of Game and Inland Fisheries is seeking public input on the *Draft Virginia Black Bear Management Plan* through August 1, 2012. The *Virginia Black Bear Management Plan*, first developed in 2001, is being revised through the involvement of public stakeholders and bear managers. Because VDGIF's mission is "to serve the needs of the Commonwealth," it is important that the process used to develop and revise the Bear Plan incorporates both public values (e.g., economic, sociological, and political) and biological considerations.

The *Virginia Black Bear Management Plan* will guide bear management across the Commonwealth through 2021. This plan describes the history of black bear management, current status (supply and demand) of the bear resource and management programs, and the future of the bear management program in Virginia. The plan identifies a framework of what needs to be done, how it should be done, and when it should be done.

Guided by the VDGIF mission, the *Virginia Black Bear Management Plan* includes four goals that specify general directions for: (1) bear populations, (2) bear habitat, (3) bear-related recreation, and (4) human-bear problems. Specific objectives help guide the attainment of each goal. Potential strategies then clarify how each objective could be achieved, but without delving into the operational details. By clarifying directions for bear management, this plan will assist the VDGIF Board of Directors, VDGIF administrators and staff, and the public in addressing bear issues.

Public input is important! Beginning June 11, 2012, the draft plan will be available at www.dgif.virginia.gov/comment. You will be able to review and submit your comments online. Comments may also be sent to Jaime Sajecki BBMP, VDGIF, 4010 West Broad Street, Richmond, VA 23230. Comments are due **August 1, 2012**.

2012 VBA STATE 3-D FALL CLASSIC CHAMPIONSHIP

Sherwood Archers
August 11th & 12th

Registration Times:

- 2 Day Semi-guided Hunt \$ 750
- 3 Day Semi-guided Hunt \$ 1,100

Prices include: 2 hunts per day, 2
hogs per day, lodging and guide.
Season is year-round, but we limit
our season to January 4th to March
15th due to the hunting being more
productive during this time.
