## From the President

I would like to publicly thank two of our VBA Clubs and their members for noteworthy contributions to the VBA.

First I would like to thank the Members of Northern Virginia Archers (NORVA) for their hosting of the 2016 VBA State Open held 28 and 29 May at their range in Fairfax County, Virginia. Any club that has hosted a State level tournament knows the tremendous amount of preparation and work it takes to get their range ready and host other Archers from around the State. The NORVA range was immaculate, and fully justified the pride the NORVA members have in it. The weather was beautiful both days – lots of sunshine but not too hot! I must admit that one of my favorite things was the food. I don't know where they found it, but NORVA had a cook preparing food that was so good (especially those slabs of ribs), it was worth the trip even if you didn't have a great shooting day on the range! For those that couldn't make it, you really missed a great event, and a chance to meet lots of great folks who love archery as much as you do!

While I'm on the topic, I want to talk just a moment about shooting field targets. I'm a Bowhunter, and I certainly love shooting life like 3D targets. But more often than not, you will find me on the field target side of a range when I practice. Let me explain why. As I point out to the students in my IBEP classes, it takes two things to be a successful Bowhunter: 1) Opportunity, and 2) Execution. Opportunity is all about being a good hunter. Getting to really know and understand the game you hunt, until you can consistently find and get within bow range. Until you have that skill set, it won't matter how good a shot you are with your bow. But the other skill – being able to execute the shot when the opportunity presents – is just as important to success. I'm sure all of us know fellow Bowhunters who see trophy animals, but just can't close the deal. That's where shooting field targets comes in. Field targets are set up at known distances on cleared lanes; so there are no excuses. If you can't consistently put arrows where you aim them under these conditions, what makes you think you can hit where you aim on a moving animal in the woods from an elevated treestand? Shooting field targets is all about execution of the shot. It helps you develop technique and muscle memory so it becomes automatic, and that pays off in the woods!

My second "Thank You" goes to the Members of the Bowhunters of Rockingham (BOR). I have mentioned to your Delegates several times that I am absolutely committed to not raising VBA annual dues. Instead, we are constantly looking for ways to get the work of the VBA done that reduces our overhead. One large expense we have is paying for the meeting rooms used to conduct our quarterly meeting with the Delegates, and recently the hotel where we meet was sold, and we were told the price would be going up. I stepped the BOR with a most gracious offer to allow us to conduct our next four meetings at their indoor range. This will allow us to save a substantial amount over the next year. I know it is an inconvenience for some of the members of the BOR who might otherwise use their indoor range for shooting (especially in the winter), and I am most appreciative of their generous offer. Thank You, BOR!

### FLIGHT Deadline

*The deadline for the Winter issue of FLIGHT will be September 19, 2016. Please submit articles of interest to the editor prior to that date. Send us your letters, stories or photos. This is your magazine and we encourage your contributions!*

## From the Executive Vice President

I would like to start off by sending out a big thank you to Bowhunters of Rockingham for hosting the VBA Spring 3-D Classic and for also allowing the VBA to use their facilities for the quarterly meetings and I also like to thank Norva for hosting the VBA State Open Championship, you put a lot of work into getting the range into great shape.

I welcome Shannon Nesselrodt to the executive board as the new Hunting Vice President, he was only in office a couple of days and he is already working for the hunters in the organization by starting a survey of the clubs on the thoughts and feelings of the membership with the new bear tag that was put into effect last hunting season.

It was brought to my attention at the last quarterly VBA meeting that not all clubs know they can get one free add in the flight magazine per year. That add can be used to advertise any shoot and activity that your club chooses, so if you have something you want to promote for your club all you have to do is send me a copy and tell me that is your clubs free add for the year.

I would like to thank everyone for all the get well wish's I received while I was recovering from surgery this spring, it means a lot to know that so many people care so much. I am doing well and have been back to work for several weeks now and without any of the pain that I was in before.

Executive Vice President

Terry Ballowe 

## From the Hunting Vice President

Dear VBA Members:

My name Is Shannon Nesselrodt. I have been elected as your new VBA Hunting Vice-President. I live in Broadway, VA. I have been shooting a bow since the age of 3 and I have been a bowhunter since the age of 12. I have a beautiful wife named Rebecca and we have a 9 month old son named Bennett. I have been active in the VBA for the last 10 years serving as a club delegate. I have been the tournament chairperson for six VBA State tournaments. I am a member of Shenandoah County Archery Club and the Bowhunters of Rockingham.

I have a strong voice within the VDGIF and a good friend of the delegate from the 26th district, Mr. Tony Wilt. I'm also a good Friends with his brother Keith Wilt who sits on the game board

I would like to thank John Robertson and Ed Bickham for their hard work and dedication as my predecessors. Currently, the Bowhunting committee consists of: Irene Stocksdale, Ed Bickham, Robert Garber and myself.

We would like to have more members serve on the Bowhunting committee, as the problems I face in Rockingham County maybe different from the problems in the southern, northern and eastern sides of the Commonwealth.

If you would like to serve, please let me or your club representative know. If you have anything come up that needs our attention, please let us know so we can help!

I look forward to serving as your Hunting-VP to help ensure that future generations have the same opportunities that we have had to enjoy bowhunting.

Straight Shooting!

Shannon Nesselrodt- VBA Hunting Vice-President 

*President's Message Continued from Page 2*

There are two more opportunities to attend State shoots. First, NORVA will host the 2016 VBA State 3D Fall Classic on Saturday, 20 August, and Sunday 21 August (and I'm told their cook will be there, so I've already placed my order for a slab of those ribs). That will be followed by the 2016 VBA State Closed hosted by Two Rivers Archery Club in Front Royal, VA, on 3 and 4 September. It doesn't matter if you are a legitimate contender for a State Champion title, or a beginner, come out and enjoy the fellowship of folks just like you who love shooting archery!

Good Shooting! Bob 

## From the Publicity Director

Just think, VBA President, Bob Foster, is in his second year of office, and he has done a fantastic job. His many concerns are in regards to our mission statement, supporting bowhunting throughout the Commonwealth, working with the clubs on their issues, cutting overhead, promoting promotion items and keeping all of us in-line. In Bob's efforts, Chris Holloman, from Kingsboro Bowmen, came forward to give the VBA a Facebook page. The loss of Jon Robertson, Hunting VP was a great lost to us as well. But, before we knew it, Shannon Nesselrodt from Shenandoah County Archers and Bowhunters of Rockingham, came forward as our new Hunting VP.

We are mid-way through our VBA State Tournaments with NORVA hosting the 3-D Fall Classic (unmarked) and Two Rivers Archery Club hosting the State Closed. The Bowhunters of Rockingham who hosted the 3-D Spring Classic had 88 shooters and NORVA who hosted the State Open had 67 shooters. Both clubs did an outstanding job. Archers who participated the two tournaments, praised their ranges.

Regarding the VDGIF. Sgt. Dave Dodson, was transitioned to a civilian position in January 1, 2016. His new title is Hunter Education Program Manager. Col. Ron Henry, who was in charge of the VDGIF Law Enforcement office for the CPOs, retired on June 1<sup>st</sup> after 30 years of dedicated service. Lastly, the VDGIF celebrated their 100<sup>th</sup> Anniversary on Friday, June 17<sup>th</sup>. All regional offices had an informal get-together for this special event.

The Virginia Outdoor Sportsmen Show will be held the weekend of August 12<sup>th</sup> thru the 14<sup>th</sup>. I'll be there to help the VDGIF folks.

Archery season is just around the corner. Make sure that you have taken all precautions in your preparation into the woods. And, don't forget to take a kid with you.

Irene Stocksdale 

## AGENDA ITEMS

### AGENDA ITEM VOTED AT JUNE MEETING:

(7) Article 15 Tournaments, Sect.15.1.2., Spring 3-D Classic, B. Change to read: The Spring 3-D will be a 2 day shoot. The 3-D will have marked distance. There will be a minimum of 25 targets. Maximum distance will be 60 yards. Archers have the option of shooting 1 or 2 days and counting highest score. Effective, 2017. Passed, unanimously.

### AGENDA ITEM FOR SEPTEMBER MEETING:

(1) VBA Bylaws, Art. 14.3-D Styles of Shooting, pg. 10 of 23: Amend as follows: Delete: "Refer to IBO Shooting Rules." Insert: "Use VBA Classifications and Shooting Styles for the VBA Spring Classic and Fall Classic 3-D tournaments and use VBA 3-D rules.: effective: January 1, 2018, as amended.

Justification: Avoid confusion for Host Clubs and Shooters as to IBO vs.VBA rules, classifications, and shooting styles. At the Spring Classic, a great majority of shooters were familiar with VBA classifications, but not IBO. Shooters that claimed to know IBO classifications, often gave wrong information and had to be reclassified.

## ORDER OF THE GOLDEN FEATHER

### NOMINATIONS DUE IN MARCH

The VBA Order of the Golden Feather was created to honor those persons who have given unselfishly of their time and talents toward the betterment of archery and archers. Recipients are persons who possess the virtues of sportsmanship, character, morals, integrity and friendship. As a reflection of the substance for membership, only 80 people have been elected to the Order in the past 71 years.

To be qualified, a candidate must be member in good standing of the VBA at the time of nomination, must have a minimum of ten successive years' membership in the VBA and must be sponsored by three VBA members of good standing or by a VBA Club.

This article is a reminder that candidates must be submitted to the Board of Directors at the March meeting for this year. Nominations must be in writing and be signed by sponsoring individuals or a Club officer. Successful nominees have always performed duties or had an impact outside their immediate club.

Details can be found in Article 16 of the VBA By-Laws.
