## From The Publicity Director

I certainly hope all of you are busy making preparations for the upcoming VBA championship tournaments. In February, we began with the State Indoors, hosted by Belvoir Bowhunters and Sherwood Archers with a turnout of 120 shooters. Dave Dobbins shot a Robin Hood on Saturday, and Paul Vogel set a new State Indoor record for the traditional style. In the spring, NORVA will host the 3-D Classic on April 10 -11, and Sherwood Archers will host the State Open on May 22 - 23. In the fall, NORVA will host the State Closed on September 4 - 5, and New River Bowhunters will host the 3-D Fall Classic on September 18 - 19. Throughout the season clubs will be holding 3-D, Field/Hunter and their club's Annual shoots. Before we know it, the bowhunting season will be here. Some of us will be making big plans for those great spring and fall bear hunts or going west for mule deer, elk, antelope or other game.

The January VBA meeting had a 97% turnout of delegates. I hope that each delegate took back much information that will 'grow' roots for our branches to spread! There were 13 by-law changes. We discussed the various approaches and ideas for increasing membership, the upcoming release of the new "Bowhunters" brochure, the many NFAA changes the delegates voted on for Clinton Western to take to

the NFAA Board of Directors' meeting, the new NFAA Range Inspection forms, the 1999 VBA Schedule shoot cards, and recognizing club(s) with the greatest increase in membership for 1999 (covering a period ending December 31.) The March VBA meeting was topped off with the VBA Awards Banquet, featuring guest speaker Carson Quarles, Chairman, Virginia Department of Game and Inland Fisheries Board of Commissioners. It was a great time for all, especially for our trophy bowhunter awardees and other prizewinners.

This year's VBA events will include many IBEP courses throughout the Commonwealth, which Al Baughman is busy coordinating. We encourage every member to actively promote VBA by distributing the "Bowhunters" brochure, participating in IBEP classes and getting involved by seeking new members and/or clubs. I myself will be attending the VDGIF program, "Becoming an Outdoors-Woman" (BOW) workshop in May, where I will assist in teaching two archery classes. I am also planning to attend the awards dinner for Hunter Education Instructors, as archery is one of the subjects covered in the course.

In case anyone has not heard, we need to recognize one outstanding individual who will be stepping down as NFAA Director - *Clinton Western*.

Cay McManus will succeed him in June. Good luck, Cay, and you have our support! Clinton has dedicated many years to VBA, not to mention his expertise and excellent work. Another individual deserving of recognition is our Executive State Secretary, Ann R. Boyd. Ann continues to do a super job in her expedient processing of all the necessary paper work, answering inquiries and keeping us all on course! Her helping hands go to our clubs' secretaries for their cooperation and timeliness. Finally, for a job well done, we congratulate Steve Lowe and the Bowhunting Committee for the help they gave Dave Burpee in putting on the "best-ever" VBA Awards Banquet.

Don't forget to visit the VBA Homepage - [www.geocities.com/~vbarchers/](http://www.geocities.com/~vbarchers/). For any questions regarding membership or chartering, contact Ann at her e-mail address: [Annrboyd@visuallink.com](mailto:Annrboyd@visuallink.com) or call her at 1-888-922-9536. Both Ann and I always welcome your suggestions and ideas.

A short note on the VBA promotional items: remember, it's a great advertisement and it all helps to increase revenue for other avenues in promoting membership.

Wishing you all the "Best of Luck" in 1999! ↗

— *Irene Stocksdale*  
VBA Publicity Director

### Guidelines For Increasing Membership At State And Club Levels

1. Each club is encouraged to produce a brochure, similar to the VBA brochure to distribute locally. The club brochure should be designed to highlight the club, its activities and affiliations. The purpose is to make the public aware that the club and VBA exist in that area.
2. Research and develop opportunities to sponsor archery events specifically targeted toward youth groups (at both state and local levels). This will take dedicated individual effort to identify and have the groups commit to an archery program. Some groups that may be approached are:
 

a. Boy/Girl/Cub Scouts	c. 4-H Clubs
b. Churches	d. School athletic directors
3. In order to start a program for youth groups, archery equipment will be a major requirement. Clubs may be able to obtain the basic equipment by petitioning the following for donations and sponsorship of these programs:
 

a. Local archery/pro shops	c. Archery manufacturers
b. Individual archers	d. NFAA (should be approached by VBA)

(continued on page 4)

## From The NBEF Director

### Traditional Shooters . . . Where Are You??

Depending on the folks you talk to, there seems to be increased interest in traditional archery. Walton Park Bowhunters are looking for traditional archers and their families who are interested in 3-D shooting. You may keep score if you like, but most folks just like to shoot for fun!

A weekend event will be held April 17 - 18 at the Izaak Walton League of Lynchburg. Shoot 3-D all weekend and enjoy a "Coon Shoot" on Saturday evening. The Coon Shoot will be open to traditional and compound shooters. Camping is available.

For more information or a schedule of our traditional shoots, please call Al Baughman evenings at 804-525-7427, or e-mail [longbowhunter1@juno.com](mailto:longbowhunter1@juno.com).

#### Dixie Deer Classic

This month, Wake County Hunt Club and the North Carolina Bowhunters Association co-sponsored the Dixie Deer Classic at the Fairgrounds

in Raleigh. If you have never attended this show, put it on your "to do" list for next year. There were vendors representing all types of hunting gear, wildlife art work, camo clothing, call manufacturers, tree stands, traditional and compound bows, knife makers, and indoor 3-D shoot, etc. Of course, the drawing card was the big deer contest! Each year the show is held during the first weekend in March. It is well worth the \$7 entry fee.

#### Hunting Lease Liability Insurance

A company known as Forest Landowners Association, Inc. has provided information regarding liability insurance for hunting leases. Limits are one million per occurrence/two million aggregate. Medical payments for \$1,500 is also included. Annual cost is 17¢ per acre leased, plus \$80.00 membership for the club and landowner. Please call 1-800-325-2954 for informa-

tion or applications. Policies are effective August 1 to July 31.

#### IBEP Classes

Dates are now being finalized for our 1999 IBEP classes. Student courses will be held at Fort Belvoir, NAS Oceana and Harrisonburg. If you are a VDGIF Hunter Education Instructor, the student course will also be available August 28 at the advanced training workshop in Appomattox.

An IBEP Instructor Certification Workshop will be held on July 17 in Harrisonburg. This class is offered by invitation only. If you are interested in becoming an instructor, please call Al Baughman for more details.

Class schedule dates should be available by April 1. They will be listed on the VBA homepage.

Happy Shooting!

—Al Baughman  
NBEF Director

#### Guidelines For Increasing Membership (continued from page 3)

4. Clubs need to generate more input to the *Flight* publication. Each club should try to submit at least one article with pictures annually. Highlighting club events not only advertises activity, but also encourages future participation.
5. News releases should become automatic and routine at each club.
  - a. Contact local media (i.e., newspaper sports departments, TV/cable, radio) about shoots and other events being sponsored or organized by the club.
  - b. Recognize local archers accomplishments at state and national level.
6. VBA should establish an "800" telephone number to encourage calls by interested potential members.
7. Each VBA head of household will automatically receive a VBA window decal upon joining or renewal of membership.
8. Direct marketing should be accomplished through contact by the VBA with Bowhunter/Hunting magazines and publications that distribute in Virginia.
9. VBA to begin mailing brochures directly to game check stations throughout Virginia prior to the beginning of hunting season.
10. Establish a "new" VBA brochure specifically directed toward the bowhunter.
  - a. "Why we need" them to join VBA.
  - b. Benefits of joining VBA and what we can do for them.
11. Develop a VBA youth recognition award program in conjunction with numbers 2 and 3.

**Black Bean And Venison Chili**

- 2 cups dried black beans
- 1 lb. ham hocks
- 3 tsp. salt, divided
- 2 Tbsp. safflower oil
- 1 lb. ground venison
- 2 cups onion, chopped
- 1 medium carrot, chopped
- 1 medium red bell pepper, chopped

- 1 tsp. salt
- 2 Tbsp. chili powder, or to taste
- 2 Tbsp. garlic, minced
- 2 tsp. cumin, ground
- 1/2 tsp. red pepper
- diced tomato
- cheddar cheese, shredded
- sour cream

Cover black beans with 2" of water and soak overnight. Drain and transfer to a Dutch oven and add 7 cups of water and ham hocks. Bring to a boil; reduce heat and simmer for 30 minutes. Add 2 tsp. salt; cover and cook for 30 minutes, or until beans are soft. Heat oil in a skillet over medium-high heat; add ground venison and brown, stirring to break up meat. Add chopped onion, carrot, red bell pepper, salt, chili powder, garlic, cumin and red pepper to venison and cook for 10 minutes more. Remove ham hocks. If beans are very soupy, remove one cup of the liquid. Add venison to beans and simmer for 10 minutes. Serve with diced tomato, cheddar cheese and sour cream. Serves 6.
