

## From the Office of the NFAA Director

by John Street

1990 was a year spent writing countless letters and spending countless hours on the telephone, in my attempt to persuade the other NFAA Directors to help us in our struggle to remain with the NFAA. There were times when I felt totally alienated in my endeavors. There were often times when the thought of just giving up was really inviting. I agreed to another term in this office for only one reason, to see a conclusion, one way or another, to the "mess" the VBA was faced with.

The big news from the 1991 Annual NFAA Meeting is that the Virginia Bowhunters Association as well as all other states who do not want to participate in a Direct Billing Program with the NFAA, now has a choice. In short, this means that money collected for VBA dues will stay in Virginia where it belongs, it also means that the NFAA handicap cards will again be issued from the office of the VBA Secretary instead of NFAA headquarters. When you receive your NFAA handicap card each year, it will again have listed the last seven scores you shot for the last 12 month period. The issue of Mandatory Direct Billing has been laid to rest. The NFAA through action of the Board of Directors, has returned the NFAA to a Voluntary Billing Program, a program that will benefit all in the NFAA.

In January at the VBA quarterly meeting, I was asked by the Directors of the VBA if I thought the decision made by the NFAA Council in 1990 which forced a Mandatory Direct Billing Program on all of us could be reversed. I responded that I could not nor would not go to the Annual Meeting in Nevada 1991 if I thought that the outcome of a year's worth of work on my part would end in failure. I have always believed that the VBA was in the RIGHT in our stand against the way the Council had forced a decision upon us concerning the Billing Program. I also felt that the other NFAA Directors from the other state associations would not want to see the NFAA lose such a valuable asset as the VBA has been to the NFAA, over a forced decision by the NFAA Council. When the vote came down on the Friday morning of the Annual Meeting, the outcome was the only one that I had allowed myself to accept. A VOLUNTARY BILLING PROGRAM WAS ADOPTED, again, BY THE BOARD OF DIRECTORS OF THE NFAA. We the VBA had won. We could continue doing business with the NFAA in the same manner that has made the VBA

in 1990 the SECOND LARGEST NFAA MEMBERSHIP STATE IN THE NATIONAL FIELD ARCHERY ASSOCIATION.

WE ALL CAN NOW GET ON WITH THE BUSINESS OF SHOOTING FIELD ARCHERY AND ENJOYING THE CAMARADERIE OF OUR FELLOW ARCHERS.

I have not published anything in FLIGHT in the past year because of all of the turmoil between the VBA and the NFAA. Starting with this issue, I intend to have something in each and every FLIGHT edition from now on.

As I stated before, Virginia had the second largest number of NFAA memberships in the NFAA for the last few years. I believe that the increase in NFAA membership in Virginia, during a year when there was so much animosity between the NFAA and the VBA, helped our case when the vote came down from the other Directors of the NFAA.

To those VBA members who kept their membership in the NFAA, I thank you for your support. If I did not believe in what the NFAA can do for the VBA membership and the Archery Hunters in Virginia, the fight to keep the affiliation would not have been fought by me.

To those VBA members who have not seen fit to join the NFAA, I strongly urge you to do so this year. Your membership in the NFAA not only will help your State Association in their endeavors with the NFAA, but will also help in giving support to an organization well equipped to fight the gaining numbers of anti-hunter groups here in Virginia. I've heard it said before that the only reason to join the NFAA in Virginia is so that an individual may shoot competitively in the VBA sanctioned shoots. This is as far from the truth as you can get. True, you must have the NFAA membership to shoot in Virginia, but I believe the reason to join a national organization such as the NFAA, is to show your support to the very reason we all support the VBA, to protect our hunting rights in a time when more and more pressure is being put on our legislators to ban hunting in one form or another through out the country. THERE IS STRENGTH IN NUMBERS. UNITED WE STAND. DIVIDED WE FALL.

IF YOU ARE NOT ALREADY A MEMBER OF THE NFAA, SEE YOUR CLUB SECRETARY TODAY AND JOIN IN THE FIGHT TO KEEP OUR HUNTING RIGHTS INTACT.

## Open Trail Archers

Open Trail Archers, Hot Springs, VA has been forced to relocate its range, therefore, our 1991 shooting season is in the tank. Our two shoots that appeared on the VBA schedule, April 14, and June 9, 1991 are thus cancelled. Hopefully we will be back in business for 1992.

## Singer Glen Bowbenders

Schedule Correction B&W Pin shoot. 1 day only: Sunday, April 21, 1991 from 9:00 a.m. to 2:00 p.m. Starting time is 9:00 a.m.

## Septa Bowmen

Well it was great seeing old friends and new faces at the State Indoor in March. Our thanks to Kingsboro Bowmen and congratulations for a successful and smoothly run tournament.

We're very proud of our club president, Allen Thacker who took honors as the state's first Seniors Division Men's Champion, and our club's first state champ.

We've been working hard to finish the new pavillion at our range in time for our "Ham Town Annual" on May 11 and 12. We hope to welcome many of you for a weekend of fun, hospitality and good shooting. We'll have some special prizes and imaginative novelty shooting Saturday afternoon. There's an Econo Lodge very near the range and rough camping available at the range.

We'll be mailing out the results of the survey which was taken at the State Indoor very soon. We hope that these figures will give us all some insight into the preferences of the shooters in our outdoor tournaments regarding shoot logistics and awards.

Spring is here... get those pins set!

## Princess Anne Bowmen

Princess Anne Bowmen would like to invite you to our Silver Quiver Annual on June 15 & 16, 1991. Registration times are Saturday 9:00-12:00 noon, June 8-11. There will be novelty shoots, team shoots, horseshoes, lots of good food and fun! Camping is available. Everyone is welcome. Hope to see you there!

## Staunton River Archery Club

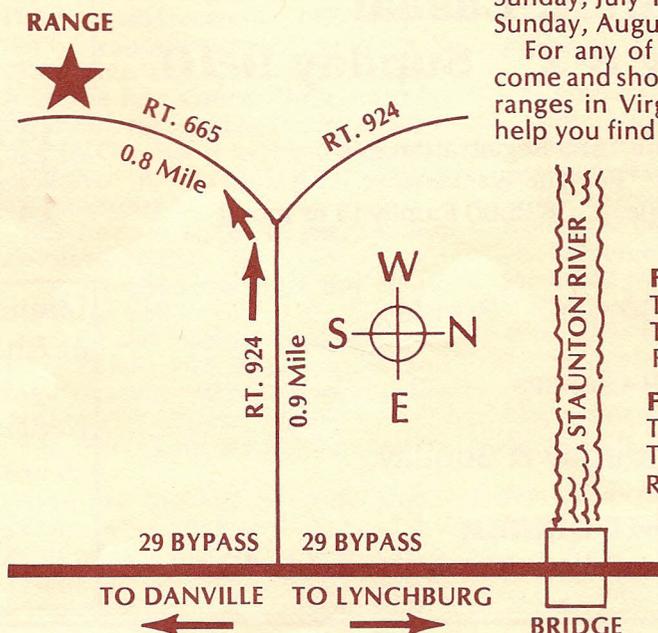

Congratulations to our new officers: President, Carroll Willard; Vice President, Joe Younger; Secretary, Gwenda Willard; Treasurer, Jane Morris.

We'd like to thank all who supported us last summer through the slow shooting and backups. As of this writing our 2nd 14 targets are in place and most of the yardages are staked out. Also, we are working on an addition to our clubhouse. Hopefully we'll get inspected before our first sanctioned shoot which will be on Saturday, May 11 (pin shoot).

Other dates to remember:

Saturday, June 15—pin shoot  
Sunday, July 14—pin shoot  
Sunday, August 18—annual trophy

## 1990 Virginia Bowhunters Association Bowhunting Statistics

by *Hunting Vice President*  
*John Stockman*

If you were a typical VBA bowhunter last season the following statistics would have applied to you.

You would have taken a 4 point buck that field dressed 95 pounds. You would have shot the deer at a distance of 21 yards from a tree stand in late afternoon. Your equipment would have been a 66 pound compound bow, aluminum arrows, and a 125 grain Thunderhead broadhead.

The above composite was developed from analyzing the data included on the 234 applications for Bill Bennett Big Game awards for deer. Following is information compiled from the applications for 234 deer, 4 turkeys, and 3 black bears.

- Number of deer harvested: 234  
Number and percentage that were bucks: 131, 56%  
Number and percentage that were does: 103, 44%
- Field dressed weight of deer:  
Buck average 95 pounds

Heaviest buck: 204 pound 7 point taken by Phillip Fonner  
Doe average 81 pounds

- Hunting method used:  
Treestand 85%  
Ground blind 5%  
Stalking 10%
- Length of shot in yards:  
Average 21  
Shortest 5 (several bowhunters had 5 yard shots.)
- Time of day deer were killed:  
Morning 93  
Afternoon 141
- Type of bow used:  
Compound 99%  
Recurve 1%
- Bow draw weight:  
Heaviest 98 pounds  
Lightest 35 pounds  
Average 66 pounds

- Most frequently used replaceable blade broadhead (in order):  
Thunderhead 125  
Wasp 3 and 4  
Satellite 3 and 4  
Razorbak 4 and 5  
Rocky Mountain Razor
- Most frequently used fixed blade broadhead (in order):  
Bear Razorhead  
Zwickey Black Diamond  
Snuffer
- Number of black bears harvested: 3  
Successful bear hunters:  
Shirley Atwood  
Stevie Dodson  
Tony Fisher
- Number of turkeys harvested: 4  
Successful turkey hunters:  
Allen Cannon  
Donnie Frenier  
Dan Lawrence

## Applications Being Accepted for Office of Corresponding Secretary

by Nancy Lee Western  
VBA Cor. Secy.

Effective following the March, 1992, VBA meeting, your present Corresponding Secretary will be retiring. Resumes are now being accepted and should be sent to this office and should include qualifications and references. A successful applicant will be appointed by the Executive Committee as set forth by the VBA Constitution, Article 4: Government, Section 5-b, and Article 5: Election and Term of Offices, Section 2.

The Corresponding Secretary is the Registered Agent for the Virginia Bowhunters Association, Incorporated and is responsible for filing the Annual Report with the State Corporation Commission before April 1 of each year.

Other duties are as follows:

1. Collect all funds and deposit them in the Signet bank. Mail the Treasurer a copy of the deposit ticket and receipt. The Corresponding Secretary is bonded.
2. Furnishing necessary forms for rechartering clubs (Dec. 5 of each year) and to new clubs who wish to affiliate according to the Constitution.
3. Use "List of Club Officers" returned with Charter Application and compile the "VBA Affiliated Clubs", list which lists presidents and secretaries with their addresses and phone numbers. This list is sent out with the January VBA minutes.
4. Prepare Charters and give them to all clubs present at the March meeting. Mail remainder.
5. Process members—new and those renewing. Since VBA dues expire December 31 of each year, January is the busiest time for processing members. There were 1,192 members processed this past January. Since NFAA has changed their expiration date, it is necessary to issue both a VBA and a NFAA card. Dues and members are sent to NFAA at least twice a month.
6. Record all field and hunter scores shot in competition. Collect the 25 cent shooters fee.
7. Process applications and mail out 20-pins. A supply is kept in stock.
8. Close books one week before the VBA meetings in January, March, June and September and send a written report to the Treasurer showing the current status of membership and cash receipts. Before the June meeting it is also necessary to compile an annual report. The Corresponding

Secretary has a petty cash fund of \$300. A statement of expenditures (to the penny) must be sent to the Treasurer to be reimbursed.

9. The Recording Secretary mails a copy of the minutes to the Corresponding Secretary within 30 days after the quarterly VBA meeting. The agenda for the upcoming meeting is typed and copies of the agenda and minutes are made and mailed to the Club Presidents, Secretaries, Committeemen and VBA Officers 30 days before the next VBA quarterly meeting.

10. Attend the quarterly VBA meetings and the three (Indoor, Open and Closed) State Tournaments.

11. Every two years (uneven) ballots are mailed within 30 days after the March meeting for election of officers, to every member. If there is only one person running for each office, no ballot is mailed. Ballots are returned to the office of Corresponding Secretary and taken UNOPENED to the June meeting.

12. FLIGHT is received in boxes from the printer. Labels are run off on the computer, separated by zip code and counted. They are then put on FLIGHT and tied up in bundles according to postal regulations. The form, "Statement of Mailing Second-Class Regular . . .", must be filled out and accompany each mailing. Issues are mailed in February, April, June, August, October and December. The smallest mailing is in February (1,000 copies February, 1991) and the largest is in December (1,840 copies December, 1990). In September you will receive "Statement of Ownership and Circulation" papers from the Post Office. These must be filled out, returned to the Post Office before October 1 and must also be published in the first FLIGHT printed after October 1.

13. Keep a supply of patches and decals in stock.

14. Correspond with the NFAA office for VBA.

15. Be able to answer questions on Constitution and Bylaws, rules and regulations or refer the person to the proper VBA Officer.

16. Keep a supply of all necessary forms.

We are looking for a dedicated person who will hopefully hold this position for more than a year or two. Typing is essential. It is necessary to keep dual records, computer and

paper. Only one of these reasons being computer down time, which happened for 3 weeks.

In our opinion, this job is too time consuming for anyone who has outside employment.

Clinton and I feel it will be necessary for the new Secretary to be a guest in our home to observe and assist with the actual mailing of FLIGHT, processing of memberships, etc.

You will need available space for the following:

- 1 Typewriter
- 1 Swivel Chair
- 1 Texas Instruments printing calculator
- 1 Cabinet-Safe Combination 27"W x 16"D x 34"H
- 2 Four drawer filing cabinets
- 1 Stationery Cabinet 30"W x 18"D x 66"H
- 1 Postal Scale
- 1 Metal 2-Drawer Index File
- 1 Metal typing table
- 2 Small Parts Cabinets
- 2 Wooding Filing Boxes
- 1 Panasonic KC-P1595 Multi-Mode Printer
- 1 Magnavox CRT
- 1 Computer
- 1 Hayes Smartmodem

Space will be needed for a desk or computer desk which VBA does not have at this time.

Salary for this position is \$2 per member as set forth in the By-laws, Article 11. There were 2,249 members in 1990.

### STATISTICS, continued from page 4

#### • Comparisons to 1989:

The average length of shot remained unchanged at 21 yards. In fact, ten years ago it was 21 yards.

The average bow weight increased from 64 to 66 pounds.

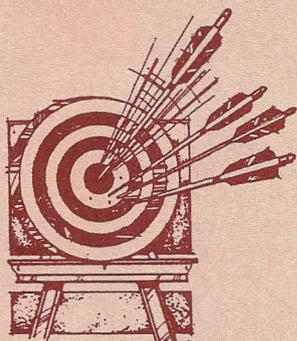

The percentage of does harvested increased by 10% from 34% to 44%.

The most frequently used replaceable blade broadhead remained the 125 grain Thunderhead.

The most frequently used fixed blade broadhead remained the Bear Razorhead.

The percentage of VBA bowhunters using compound bows remained unchanged at 99%.

The number of successful female bowhunters increased from one to seven.

### Field Archery Committee Report

The Field Archery Committee need input from the VBA membership concerning class scoring breakdown in all classes and divisions. Any or all VBA members may respond.

Send responses to: Earl McCawley, 1012 Stonewall Drive, Front Royal, VA 22630.

### Virginia Bowhunters Association Fall Rendezvous

The 1st annual Virginia Bowhunters and Sportsmans Rendezvous will be held on August 9, 10, and 11 at Maury State Park in Buena Vista, Virginia, located off I-81 and I-64 near Lexington.

This Rendezvous and Sportsmans Show is shaping up to be one of the highlights of the fall season. Our featured guests include the president of the Pope & Young Club and manufacturer of the Bighorn Recurve Bow, G. Fred Asbel; Archery trick shot artist Stacy Groscup; noted bowhunter, author and professor of wildlife biology at West Virginia University Dr. Dave Samuel; and Ohio taxidermist George LaCross. Watch Stacy shoot aspirins out of the air, George cape a Boone & Crocket Whitetail head, and listen to inspiring seminars by Fred and Dave.

A covered pavillion and large tents will provide space for dealers inside with 14x15 foot spaces . . . there is ample space for dealers both inside and out. The fee of \$100 will provide each dealer with space for all three days of the event. Dealers setting up outside of the sheltered areas will be charged a \$30 fee.

As this is a Sportsmans and Bowhunters Rendezvous we are requesting dealers in archery, firearms, camping, fishing, muzzleloading, boating, ATV's or other outdoor supplies.

Distributors are asked to set prices "in line" with the prices set by retailers. As we do not want this to be a "cut-throat" event.

Security will be on hand for the protection of booths and merchandise.

Meals, primitive camping with 250 sites with water & electric, clean rest-rooms, and plenty of parking are available on the State Park grounds. Below is a list of local motels, their phone numbers and location for your convenience.

Send checks to reserve covered dealer space at \$50. A \$50.00 non-refundable covered space deposit must be sent to reserve a covered space. Please send checks to Ken Sorrels, P.O. Box 2002, Wise, Virginia 24293. Remember, spaces are limited and will be assigned on a first come, first served basis. Please send your deposit not later than July 20, 1991.
