## Letter to the Editor

To the members of the Virginia Bowhunters Association:

I would like to take this opportunity to comment on the quality of the conditions I found at the 1993 VBA State Open Championships on May 29 and 30 Warwick Bowmen for those of you who were unable to attend. For those of you who did get to go, you already know what a pleasure it was! The efforts of many hours of range labor and preparation made this the most enjoyable weekend I have ever spent at the

Warwick club! The entire experience this weekend, including the attitudes of all those club members involved was what makes a tournament a success. The ranges were in much better shape, the range officials were attentive to safety and changing range conditions, and the food was great! If there could have been any improvement in the tournament quality, it would have been up to the Man Upstairs. Although it showered on Saturday, that condition was even improved on Sunday when He brought

us a perfect day for shooting!

All in all, this weekend was a clear demonstration of what can be accomplished when a group of individuals pull out all the stops to see that things are done right!

Thank you, Warwick Bowmen, for a superb tournament experience!

Sincerely,

Ron Neville
