

### ELMER MOORE WINS WORLDS CHAMPIONSHIP

### BOWHUNTERS JAMBOREE

### GREAT SUCCESS

The United States team consisting of eight members, three of which were Virginians, participated in the world championships held in the Rhondda Valley, Wales, England.

The three Virginians, Elmer Moore of Newport News, W.T. Cowles of Herdon and Barbara Griffin also of Herdon, represented Virginia well bringing back two first places and two second places and the Worlds Championship.

Elmer Moore won the World Championship shooting 454 on the Hunter Round and 455 on the Field Round for a total of 909 points. Beating his closest opponent by 20 points. Elmer missed setting a new world record by just two points. His very last target was perhaps one of his worst and he probably lost the record on that target. He did not know he was anywhere close to a new record at the time but still talks about that last target.

One of the things he remembers most about the time he spent in Wales would have to be the first two days. Upon arriving he found out that not any of his Archery Equipment arrived with him. The next day being set aside for practice he was disappointed and worried somewhat. On the second day everyone set out for the range to practice but "Emo", he had to stay back and hope his equipment would show up. When it did arrive he had but one hour left to practice.

Having won the Worlds Championship, feeling good, and still riding the clouds with a somewhat larger hat size he started on the trip back home. A most enjoyable trip much more so than the trip over for some reason. But he soon arrived and his enjoyment turned to disappointment as he went to claim his baggage and found out that his suitcase with

all his trophies and awards and all his clothes were not there. They had been lost someplace along the way. They did arrive later that week and everything was intact.

A week later he was invited to the Pennsylvania Bowhunters Jamboree and again flew by plane from Newport News to Philadelphia. Arriving there he went to claim his baggage and noticed a suitcase coming down the line all busted open and completely ruined, with clothes hanging out and as it got closer he said "Oh no. That's mine!" The airline gave him a small bag to put his clothes in and he proceeded on to the Jamboree. There were over two thousand people there and all had a good time, including "Emo." Again he flew home and upon arriving he found out the airline had misplaced his arrows. Three dozen, including the ones he had won the Worlds Championship with. He was really feeling sick. They still have not shown up.

If "Emo" ever had a motto it probably would be, "Have small bag, will travel, send bus ticket."

Again a tip of the old hat for a job well done to all three of these VBA members.

Sept. 19 and 20 in the mountainous area of Wytheville, bowhunters from four states converged on the Wythe range for two days and nights of shooting fun. Sat. saw archers shooting the running deer, 3-D animals, moving small animals and the broadhead range. Sat. night the camp area was filled with talk of hunting while at the club house, movies were being shown. Game Calling Contest and the Night Coon Hunt took place. Sunday was the Animal Trophy Shoot, The Long Deer Shot, Trail Bike Race and more hunting practice from the tree stands. Over \$500 worth of prizes were given away. There were beautiful displays from National Forest, Va. Forest Service, B&J Sport Shop, West End Archery and Bill Six, Taxidermist. Game Wardens, Wayne Richardson, Boon and Mitchell donated their time to answer any questions Bowhunters had. Many Archery Co. and the merchants of Wytheville, Va., donated merchandise to be given away. Several magazines, News Papers and Radio stations gave us time and space. Without them none of this could have been possible. THANK YOU! Special thanks to WYVE for coverage and the Enterprise.

Trophy winners are: Long Deer Shot—Men, Dean Adams; Women Christen Maxey; Youth, James Combs.

Trail Bike Race: 1st, Bill Bolt; 2nd Ben Tophan; 3rd W.E. Chiberal.

Turkey Calling: 1st, Mike Willings; 2nd, Bill Six; 3rd, Jim Howell.

Night Coon Hunt: Men, Clarence Linberry; Women, Christen Maxey.

Big Buck: C.D. Tarter.

PROPOSED V.B.A. DUES INCREASE

"Inflation" - a nine letter word that means there has been an increase in the amount of currency (cold cash) in circulation, resulting in a relatively sharp and sudden fall in its value and a corresponding increase in prices. If you have noticed this creeping cancer cutting into your cache of currency causing you to cough up more cash to cart home the cold cuts, crackers and cookies, cheer up cousin, you're not in the canoe alone! Your VBA Treasurer, Ted Grefe, has noticed a similar trend and so advised the Directors from each club who were present at the September, VBA meeting.

As you know, if your Director has been keeping you up to date on VBA's financial state of affairs, there is no immediate need to push the panic button because your Organization is not facing financial ruin at the moment. Also, as you probably realize, VBA does not have a history of frequent and unreasonable dues increases as a means of maintaining a sound financial condition. This is evidenced by the fact that the Organization

was founded in the early 1940's with dues being, as I recall, \$1.00 per member per year. Isn't that something? We "Come a long way baby." A \$3.00 increase in 30 years, that's 10¢ per year, which is really not keeping up with inflation.

By now you probably have the feeling I'm trying to tell you something. I am! In view of the trend as stated above, and in order to retain the sound financial position your Organization has enjoyed in the past (there have been a few anxious moments) your officers feel that you would be well advised to vote for an increase in dues to be effective January 1, 1971, as a means of keeping your Association sound financially. This is not to say that other avenues have not been explored as a means of increasing the inward flow of cash - they have. Expenses also have been kept to a minimum but, as all of you know, they can be cut just so far and no farther if an organization or business is to continue functioning properly. Successful organizations
