## From The President

It seems fitting that in this, the VBA's thirtieth anniversary year, that we have the largest membership now than ever before at this time. For whatever the reasons, interest in the VBA has increased and that is a good sign. One observation that I have is that the general interest level in field archery and bowhunting is on an upward turn. This makes for an excellent time for all VBA clubs to seek out new members.

I hope you are all getting ready for the State Closed at Augusta Archers in Staunton, Va. Judging from past years, we can all expect an excellent tournament on a very challenging range.

Good luck and good shooting.

Van

## From the Office of the Field Vice President

It has come to my attention that a few clubs held shoots during the VBA State Indoor Championships and the VBA State Open Championships. This is against the rules set up by you, the VBA. Those clubs who turned scores into Nancy Lee were informed that those scores were not valid and returned. I would strongly suggest that the President and his/her officers familiarize themselves with both the NFAA Rule Book and our own VBA constitution and by-laws. This would eliminate any problems in the future.

It is very important that a Director from each club be present at the September meeting for the scheduling session. This meeting will be on Saturday night at 7:30 p.m.

To make this session go smoother and quicker it would be to each club's advantage to have a meeting in their zone to set dates for their shoots.

When the bids for the 1987 state shoots are decided in September, it will be necessary to announce at that time the tournament chairperson for that shoot. That chairperson will be required to attend a special meeting at the January VBA meeting for the purpose of going over the requirements of hosting state shoots. This has become necessary since the past state contracts have not been followed. The time and place will be furnished to those involved.

The VBA Pins have been ordered and should be in sometime soon. A large order has been made to try to keep from running out next year.

Thank You  
John Street  
Field Vice President

Sorry for any inconvenience. I have just moved. Make note of new address.

The Warrick Bowman located in Newport News, Va. would like to bid for the 1987 State Open and the 1987 State Closed Tournament. The Club can provide excellent shooting facilities on flat ranges in a wooded setting. The range is located in Newport News Park which provides a multitude of camping and recreational opportunities. The surrounding Tidewater area provides numerous recreational opportunities within a short drive. These include Busch Gardens, Water Country, & Historic Williamsburg and Jamestown.

As noted on the VBA schedule card, Manahoac Bowmen will be holding a bowhunter jamboree October 4th and 5th. The event will be held at the Manahoac range in Fredericksburg. Registration will be casual and multiple.

Last year's event attracted several top-name guests including Stacy Groscup, Larry Wise, Doug Crabtree, Jim Crumley and Gene Blackshire, who put on demonstrations and gave lectures. We hope to put on an even better affair this year.

In addition to a 3-D animal shoot we will feature a big buck contest. We will have an official Pope and Young measurer on hand to score your racks so bring along your trophy mounts.

## Shawnee News

Shawnee Bowmen will host The Little Brown Jug Annual on August 23 and 24. We invite everyone to attend.

The Bowmen congratulate Joe Herbert for shooting a new course record of 549 at our June shoot.

The Kingsboro Bowmen of Suffolk, Va. has submitted a bid for the privilege of holding the 1987 State Indoor Championships. The shoot would be held in the Tidewater Community College Gymnasium.

The College is located just off Route US 17 in (Churchland) Portsmouth, Va.

The facility is rather large allowing 30 bales to handle 120 archers per line. Two lines would be all that would be required to handle up to 240 archers. The lighting has been updated to give ample lumination on all targets. Proper illumination, a public address system, count down clock, and safety nets, will allow for a safe and successful tournament.

We ask for and solicit your help and vote in this matter and look forward to seeing you at the State Indoor Tournament.
