FLIGHT NO. 3

MAY-JUNE, 1982

VOLUME 23

VBA Raffle

By John Stockman

In 1982, VBA again conducted a raffle with three prizes for the benefit of bowhunters. The prizes were a custom hunting knife, a compound bow, and an all expenses paid bowhunt for elk in Colorado.

Last year a non-VBA member won the hunting trip and sold his ticket to VBA member Roy Williams. Roy recommends the hunt and had the following comments:

The Colorado outfitter, Rudy Steele, hunts primarily from tree stands. He transports his hunters from camp to within a mile of their stand in 4 wheel drive vehicles and picks them up at night. Hunters can hunt from the ground during the middle of the day if they wish.

Steele accepts only ten hunters for each seven-day hunt. They are housed in two house trailers. Meals are provided. Roy said he gained several pounds during his week of hunting. The food, accommodations, and attention were excellent in his opinion.

Although the area Steele hunts is primarily an elk region Roy bought a deer license (\$90.00) and had shots at both deer and elk.

Steele provides a checklist of equipment to bring. The list does not include a portable tree seat, screw-in tree steps, or rainsuit. Roy recommends taking those items in addition to those on Steele's list.

In Roy's opinion, one of the most important things a hunter should do is get in good physical condition. Two of ten hunters had to leave camp and return home because they couldn't tolerate the exertion required from operating at 8,000 to 10,000 feet elevation. Roy began jogging several months in advance of his September hunt and had no physical problems during the hunt.

VBA pays the outfitter and provides the hunter with money to buy his elk license and plane ticket to and from Colorado.

Winners Announced in VBA Raffle

The lucky winners in the 1982 VBA Bowhunters Raffle are John Jones of Hampton, Va. who won the Colorado elk hunt trip which was the first prize. The second prize compound bow was won by Jerry T. Ellis of Hardy, Va., and the custom-made hunting knife was won by Charles Payne of Virginia Beach. The drawing was held on June 27 at the quarterly VBA meeting.

The raffle committee deemed this year's raffle successful, but are looking for ways to improve any future raffle VBA may sponsor. Let your club delegate know your thoughts on how we might better the raffle.

N.F.A.A. HANDICAP CHART

INSTRUCTIONS

Take the average of the three highest of your last seven scores. Round off any decimal to the nearest whole number. Locate corresponding handicap in second column. For five or six recorded scores, take the average of the best two scores. Locate corresponding handicap in second column. For two, three or four recorded scores, take the best score and locate corresponding handicap in second column. For breaking ties, shoot the first three targets on the course. Add the scores from these three targets to the tie score of each archer. Go to each archer's handicap and multiply the tie breaking figure next to his handicap by 3. (Example: Handicap of 284. $10.14 \times 3 = 30.42$) Add this total to the score to determine the winner.
