Gregory, Chilton Win Freestyle Title At Indoor Championship

by: Ann Boyd

For the ninth consecutive year, Triangle Bowhunters hosted the 1983 State Indoor Championship. The event was attended by more than 150 archers from all over the state and as usual, Triangle members put on a well run event.

Jim Gregory won his first Indoor Championship, posting perfect "300" rounds and winning the Freestyle division by defeating last year's State Champion Joe Herbert in a shoot-off.

Cathy Chilton captured the Women's Freestyle title after shooting an impressive two day total of 590.

Other winners were Kendall Woody, who won the Young Adult FS division by shooting two perfect rounds.

Men's CFSBH-UL remained very competitive again this year with Dennis Mills taking home top honors with a 596.

There was lots of good shooting in all classes and here are all the winners and their scores.

Big Apple At Buggs Island

by: Steve Trent

Big things are going on at Buggs Island in preparation for the Big Apple Annual on July 9 & 10. We offer you a large camping area and invite you to come earlier in the week to enjoy the lake and that special Buggs Island hospitality you have come to know and expect. The range will be open all week for practice. This includes the new 28 target range completed this year.

We have planned a few new games to mix with the old to provide entertainment while off the range. There will be the usual horse shoe tournament on Saturday night along with plenty of food and drink to enhance your evening. And remember there is nothing as refreshing and invigorating as a midnight swim in the moonlit lake.

So come early and bring the whole family for a great ending to your 4th of July celebration week.

Indoor Season At Triangle

by: Stephen Hiner

The indoor season at Triangle Bowhunters was a most successful one. Fifty to seventy-five shooters from Virginia and West Virginia showed each Saturday for the four tournaments held at the Christiansburg National Guard Armory. Perfect scores of 300 were common for many of the archers and two shooters scored 300's for the first time. Dennis Mills of Sherwood and Tony Overfelt of Triangle are the newest members of the "300" club. The Triangle indoor season was topped off on March 5-6 with the State Indoor Championship. Archers from all over the Old Dominion, numbering 154, participated in the two round shoot. Congratulations to the winners! Thanks to all that shot indoors with the Triangle Bowhunters. VBA Meeting Highlights

by: Ann Boyd

VBA is proud to announce we have set a new record in '83. We have 1,212 members and 34 chartered clubs which represent a record quarter and we are still growing!!

At the March 26-27 meeting held in Charlottesville, 22 clubs had delegates present.

Field Vice President, Dickie Hall told us that in Women's CFSBH, 100 grain field points are allowed. He also explained that archers who shoot CFSBH and use a pin guard must remove two pins from their sights as the top and bottom of a pin guard can be used as sights. Those using the Fine-Line brand sight must remove two cross-hair pins. Bear in mind that in CFSBH, you may only have FIVE FIXED reference points.

The Conservation fund balance now stands at \$1,167.06, and your Conservation Vice President reminded clubs that this money is available to any VBA club that wishes to plant seedlings on their ranges or do other conservation work.

VBA Field Governor, Bill Taylor reminded clubs that the range inspection fee has been increased to \$10.00. PLEASE, CLUB SECRETARIES, remember this whenever your range inspection is due.

The only agenda items for vote at the June VBA meeting is as follows: (Warwick Bowmen) Shooting styles designations at all VBA sanctioned events conform to the NFAA designations as shown on the 1983 NFAA handicap cards (FS, FSL, BB, BHFS, BHFS-L, AND BH). The motion is to amend the VBA Bylaws, Article 14, Sec. 3 to change the "Competitive FS Bowhunter" designation to "Bowhunter Freestyle".

Colorado Bowhunt As Reported By 1983 Raffle Winner, George Winfield

I purchased my winning ticket for the VBA raffle bowhunt from John H. Jones.

It was the hunt of a lifetime, even though I did not fill my tags. Guide and outfitter, Rudy Steele, runs a first rate hunting camp.

We hunted the White River National Refuge in Western Colorado. The elevation was between 8,000 and 9,000 feet. I trained for the altitude by running up and down Mt. Trashmore, in Virginia Beach, early each morning.

The fare served by the camp cook was a gourmet's delight, in the rugged Colorado Rocky Fashion. He-man meals to carry the hunters through the day. Some of the hunters threatened to leave home and take up with the cook.

The day's hunt began at 3:30 a.m. A meeting was held after breakfast with Rudy Steele, all his guides plus the hunters.

About an hour before daylight the guides drove us to the stand areas. All the stands were located in trees in prime game area. I expected to see elk or deer any second.

If the first hour I spent in the stand was any indication of the abundance of game, I was sure I would be able to pick my trophy. I was watching two bull elk at about 200 yards feeding towards me. At the same time, I caught movement about 20 yards from my stand. In another minute I had two spike mule bucks 10 yards from my stand. Now I was faced with a decision. Elk was my primary target, and they were within 150 yards now. My decision made, I returned my attention to the elk, now at 80 yards.

I lost sight of the elk and when I saw them again, they were headed down a ridge to the canyon floor. With no chance for a shot, I settled in to watch the views of this beautiful country and wait for more game.

As the week went by, I watched more game, but none were close enough for a shot. The week was productive for our camp, with two bull elk and one 8-point mule harvested, and many shirt tails forfeited.

In camp that week were 6 other hunters from Virginia. Memories of the camp, the country, and my opportunity to hunt elk for such a small donation to the VBA will be

with me forever.

I am looking forward to the '83 raffle.

1983 VBA Raffle

Tickets for the 1983 VBA raffle have been distributed. This year's raffle procedure has been slightly changed from the past. Each zone has a raffle committee representative. This person will oversee the distribution and return of tickets in the specific zone he represents. Listed below are the zone representatives, their telephone numbers, and addresses. Clubs having questions concerning raffle tickets, ticket returns, etc., should contact their local representative. **ALL TICKET RETURNS OR TICKET STUBS SHOULD BE SENT TO THE ZONE REPRESENTATIVE BY JUNE 20.** This will allow us to check all returns and organize our records prior to the drawing to be held on June 27 at the VBA meeting.

VBA RAFFLE RULES: Each book of raffle tickets contains 11 tickets. Any VBA member selling the first ten tickets in a given book may retain the 11th ticket free. In no instance is the 11th ticket to be removed from a book prior to the sale of the first 10 tickets. Tickets this year are \$1.00 each or \$10.00 per book. When a club or individual accepts raffle ticket books for distribution they accept the responsibility to see that unsold tickets, ticket stubs and proceeds are returned properly and on time. Last year some problems arose concerning the return of some tickets or the proceeds of those tickets. Please let's avoid problems this year.

WIN A BOW HUNT FOR BEAR IN MAINE

The first prize in this year's raffle is a bow hunt for bear in Maine with the Foggy Mountain Guide Service. The hunt has been booked for September 5-9. The value of this hunt is \$1,000.00.

The 2nd prize will be \$300.00 of bowhunting equipment from the store of the winner's choice. Third prize will be a \$150.00 custom made hunting knife.

PUSH THOSE RAFFLE TICKETS! If each member would sell three tickets and buy one ticket we could have a total sellout on raffle tickets. Let's work to make this year's raffle the most successful ever.

Following are the zone representatives for the 1983 VBA Raffle:

ZONE 1: Richard Dunn, 1985 Port Lyautey Drive, Virginia Beach, 23455.

ZONE 2: John Stockman, 1301 N. Utah St., Arlington, 22201.

ZONE 3: Dave Proctor, Route 1, Box 258B, Keezletown, 22832 (269-2521).

ZONE 4: Steve Trent, P. O. Box 644, Clarksville, 23927.

News Release on Mid Atlantic

by: Ron Estrada

In preparation for the 1983 Mid-Atlantic Championships in June, The Warwick Bowmen of Newport News, VA are putting the finishing touches on their "C" Range which is being reopened this season.

Regional archers can get a sneak preview of "C" Range along with the more familiar "A" and "B" Ranges by shooting in Warwick's Annual Shoot slated for April 17. The Bowmen are, of course, proud of all three of their picturesque ranges which are complimented by a field of fourteen target butts that serves as a backup range on occasion.

The adjacent municipal park campground and the Bowmen's warm Virginia hospitality combine to make a shoot there always an enjoyable venture for the shooters and their families.

For more information, write to Ron Estrada, Member-at-Large, P. O. Box 8, Yorktown, VA 23691.

Secretaries and/or Tournament Chairmen

All tournament reports should be mailed to the corresponding secretary Tuesday following the shoot. These scores are posted on each individual's record card and should be in date order. Since these are the scores that are transferred to your handicap card, please print or type, *list style*—limited or unlimited for FS and CFSBH—and be sure the scores are correct. List member's VBA number and name as it appears on his/her handicap card—NO nicknames please! The class—A, B, C—is not needed.

Good shooting,

Nancy Lee Western
VBA Cor. Secy.
